

6 January 2015

Dear Parents

Happy New Year! I hope you all had a very happy Christmas holiday and are ready for new year ahead.

I am very excited about our topic this half term. We are studying the local Fishing heritage of Hull with a focus on History. For more details on our topics this half term, please see the curriculum overview sheet.

If any of you have any photographs or books etc, which we could kindly borrow for a few days, I would be very grateful. Resources linked to this topic are a little thin on the ground!

We hope to visit the maritime Museum and Artic Corsair in Hull as part of these studies.

Can I please remind you to make sure each item of clothing your child brings to school is labelled with your child's name. There was so much lost property at the end of last half term and a name label makes it so much easier to reunite lost things with their owners!

Our PE this half term is indoor dance but the children will still require an outdoor kit for break time and lunch time field activities. Please make sure your child has a named indoor and outdoor PE kit in school at all times so they have the option to participate in games which require a change of footwear and trousers.

As always, if you have any questions or queries, please do not hesitate to ask.

Many thanks for your continued support.

Yours sincerely

Mrs Leitch and Miss Wright
