

25 February 2015

Dear Parents

Welcome back! I hope you all had a lovely half term.

For these next 5 weeks, Year 3 are looking at rivers. We will also focus on the water cycle as it lends itself so well to our topic. We have exciting activities planned for the children which will hopefully get them thinking about cultural issues which surround our topic too. We are lucky living so close to the Humber and hopefully we will have a trip planned to visit the Humber over the coming weeks. This links wonderfully to our literacy, which is planned around the book 'The Journey'. For further details about the curriculum please see the curriculum overview.

Can I please remind you to make sure each item of clothing your child brings to school is labelled with your child's name. There was so much lost property at the end of last half term and a name label makes it so much easier to reunite lost things with their owners!

Our PE this half term is outdoor. We are doing Hockey, but please make sure they have their indoor kit as well. Please make sure the outdoor kit has a pair of tracksuit bottoms and a jumper as I'm sure you've noticed how chilly it has been. Plastic studded boots or astro-turf shoes are also necessary. As always please make sure your child has a named indoor and outdoor PE kit in school at all times so they have the option to participate in games which require a change of footwear and trousers.

As always, if you have any questions or queries, please do not hesitate to ask.

Many thanks for your continued support.

Yours sincerely

Mrs Leitch and Miss Wright
