Home School Agreement

Our vision:

We, at Welton, have a dream that our children will be proud, happy and confident; knowing that they are being nurtured, challenged and encouraged to ignite their own unique spark of genius, so that it catches fire and shines.

We believe children should be nurtured yet challenged in a very special learning environment, which values the uniqueness of each of our pupils.

We want to work together as a community who are invested in the values of Welton Primary School. Together we have created a set of promises based on the values we believe will help us achieve our aspirations for our children.

Our promises:

To have respect for and take responsibility for ourselves.

To have respect and tolerance for others.

To have respect for the environment.

To have respect for rules.

To value the community
