

Hi Everybody,

I'm so happy that I'm going to be your Year 3 teacher and I can't wait to make new memories with you all. I know some of you very well after teaching you in Year 2 and I cannot wait to have you in my class again. Some of you will be new to my class and I am really looking forward to getting to know you and finding out more about you. I think you'll love some of our topics that we are going to be focussing on throughout the year, it's going to be super exciting!

I wanted to tell you some things about me. I have a small, fluffy dog called Lottie who enjoys long walks and exploring with me. She is 4 years old and she is very playful. I wonder if any of you have any pets that are really special to you. I also love watching and taking part in sports and a few years ago I took up a new sport which is skiing. At first, I wasn't very good, but I persevered and now I am much more confident. Practising new skills is something that will continue with you as you grow! I am an avid football fan and thoroughly enjoy watching Hull City, although we are not doing very well at the moment! You'll have to tell me which sports you enjoy when I see you in September.

I have been at Welton for a few years now and what makes me so proud, is seeing how much you grow and succeed. I can't wait to hear about what you have been up to and I am so excited for you to share with me your knowledge and skills. I am positive we will make an excellent team who will treat each other with kindness and respect.

We'll have a wonderful time in Year 3 together, I'm sure of it! I know some of you haven't been in school for some time now and may be feeling anxious but remember you're not alone and there are lots of other children who will be feeling the same and this is ok. It will still be different to what you are used to, and we won't be mixing with other year groups, but we still be able to play lots of games at playtimes. We will continue to wash our hands lots and we will even be eating our dinner in our classroom. Just think about how exciting it will be to be back at school and see all your friends! We will all make sure we look after each other and keep each other smiling.

I will be setting you a 'To Do' on Purple Mash so you can make a holiday diary if you wish. You might want to include photos, videos and captions of what you have been doing. We can then share these with each other, which will be an exciting thing to do to start off our year together!

I hope you all have a lovely summer, stay safe and I look forward to seeing your happy, smiley faces in September!

Take care,

Miss Green
