3	Welcome back
4	Coming back to school
8	What should I wear?
9	What can I bring to school?
10	What are the school rules?
11	How can I get ready to come back to school?

In September your teacher will be Miss Burgin.

On the first day Miss Burgin will meet you on the main playground.

You need to arrive at school at **8.50am**. The adult who is bringing you to school will need to drop you off and say goodbye to you at the main gate.

You will then follow the path, past Green Door pre-school and walk onto the playground to line up. Miss Burgin will be on the playground, waiting for you.

She will take you into the classroom and show you where to put your coat and lunchbox (if you have brought one).

At the end of the day, your mum, dad or adult will pick you up at the main gate at **3.20pm**. Miss Burgin will take you and your class to the gate to meet them.

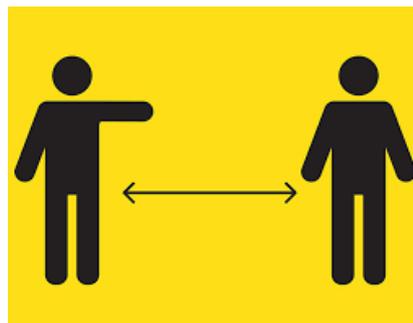

# Welcome Back

In September all the children and adults will be coming back to school. This is great news for everyone.

If you haven't been at school for a long time it maybe a little scary too. It's okay to be a bit worried.

While you have been at home and having a summer holiday, we have been making sure the school is very safe.

**We have also been getting the classrooms ready. All we need now is you!**

## COMING BACK TO SCHOOL

Things will be different at school to how you remember but this will be OK. Try not to worry, all the adults will be there to help you.

Some of the things that will be different:

In September you will be in a special group that we call a bubble. That means you will only be allowed to work and play with the children and adults in your bubble.

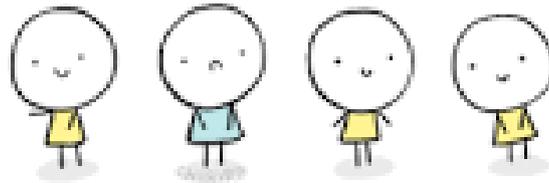

Mrs Pidgeon and Mrs Saleh will be in everyone's bubbles, but they will stay on the edge of your bubble when they come to see you and talk to you. They will still be able to look after you if you feel sad or worried. They won't be able to give you a hug just yet, but they will help you feel better.

ARE  
YOU  
OK?

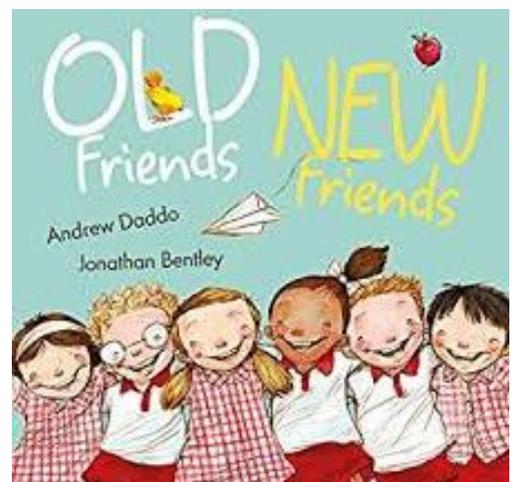

You may have a new teacher. They know you might need more looking after for a while.

sometimes being  
happy is hard to do.

You will have a new classroom and it will look different. That's ok, because you will soon get used to it.

You will be in a class with some old friends but also some new friends. You might miss some of your old classmates, but you could see them at breaktime.

All the Year Groups will start school at different times, and they will go home at different times. You will need to be at school on time.

You will eat your lunch in the classroom. You can bring a packed lunch from home or have a packed lunch made in the school kitchen. Eating in the classroom is fun because you can talk to your friends.

You will have separate breaks and lunchtimes to the children in the other year groups. You will have to stay in a special part of the playground that is just for your year group.

The adults will organise games for you to play outside because we are not allowed to share our toys and equipment with other classes.

Your teachers are getting all your lessons ready for September. They know that you may have forgotten how to do some things. Don't worry, they will help you.

You will only be allowed to bring a few things to school from your house. You might have to keep them in the classroom. This could be tricky but the adults will help you.

## What should I wear in September?

In September all the children will wear their school uniform.

We will be keeping the doors and windows open so it may feel a bit cooler in the classroom. You will need a navy or blue school fleece to wear when you feel cold in the classroom. No hoodies allowed.

## What can I bring to school?

To help keep everyone safe you will only bring a few things to school. Your parents can disinfect them every night.

<p>This is what you can bring to school.</p> 	<p>These will stay at home</p> 
 <p>Whole piece of fruit</p>  <p>Plastic lunch box</p>  	<p>No PE kit or indoor shoes until we ask for them</p>    <p>No chopped fruit, bags or containers please</p>    <p>Fabric lunch bag</p>  

## What are the school rules?

The rules have stayed the same. We need to be **ready**, **respectful** and **safe**.

### How to be ready.

- ✓ Arrive at school on time at the right entrance.
- ✓ Only bring the things allowed from home
- ✓ Come in your full school uniform – see page 8

### How to be respectful

- ✓ Look after your things in the classroom
- ✓ Listen carefully to the adults
- ✓ Be a good friend by being kind and safe

### How to be safe

- ✓ Wash your hands when you get to school
- ✓ Use a tissue when you cough or sneeze
- ✓ Put your tissues in the bin and then wash your hands
- ✓ Wash your hands lots of times in the day
- ✓ Only come to school with children in your bubble
- ✓ Stay in your zone at breaktimes
- ✓ Only bring the things to school that are allowed
- ✓ At home time and on the way home only play and talk to children in your bubble. This helps everyone in your bubble to stay safe.

### What happens if I break the rules?

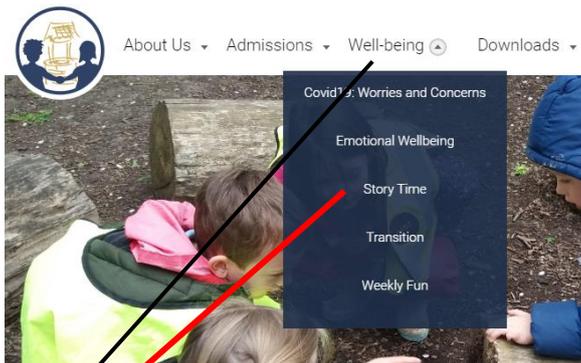

Following the rules is very important so everyone can be safe and happy at school. If you break the rules your teacher will talk to you and your parents. If you carry on breaking the rules Mrs Pidgeon or Mrs Saleh will have a meeting with you and your parents to help you understand how important the rules are.

# How can I get ready to come back to school?

Things are different this year and you will not be able to spend any time with your new teacher before September. Try not to worry about this, all the teachers are thinking about you lots and lots.

To help you look forward to September there are some things you can do:

- ✓ Watch the video your new teacher has made.

## Transition

WELL-BEING > TRANSITION

We are approaching the time when children and parents are preparing for change. Maybe your child is leaving nursery and starting school, maybe they are leaving Welton and starting High School or maybe they are moving into the next school year.

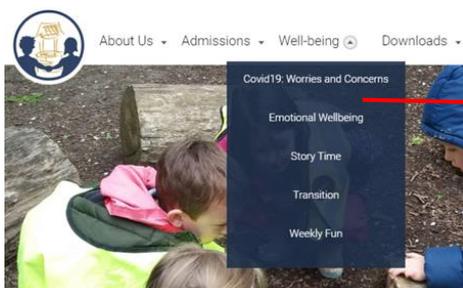

This year many children may not get a chance to say goodbye to their teacher and the children will not have a chance to spend time with their new teacher before the end of term but we will be adding resources and videos to this page to help you all prepare for change.

YEAR 1  
YEAR 2  
YEAR 3  
YEAR 4  
YEAR 5  
YEAR 6

Go to the school website, find the well-being tab, then the transition tab.

Then click on your NEW year group where you will find the goodbye and hello videos from the adults.

- ✓ Read the goodbye and hello letters from your old and new teachers. They are in the same place on the website as the videos.
- ✓ Keep a holiday diary that your new teacher has set for you as a "to do" on Purple Mash
- ✓ If you start to feel worried there are lots of things you can do to help you feel better. You will find some booklets in your year group transition folder and you can ask your parents to look on the website in the well-being tab for lots more ideas.

They can look here.
