

Hello Everyone!

My name is Miss Brash

I have been a teacher at Welton Primary for 5 years now, I love it here because I get to meet so many children and help them to learn lots of new and exciting things.

A little bit about me, I really like to be outside and go on adventures by the seaside. I love to sail and ski. I can't wait to hear what you like to do too!

I am really looking forwards to September so that I can meet you all face to face and we can read lots of books, learn all of our sounds and practise our counting. We will be able to build, paint, imagine and discover all sorts of interesting facts that we didn't know before!

When you get to school we will show you where everything is. Where you can sit, where you can wash your hands, where you will eat your lunch and where you can play and learn.

There are some things on the school website for you to watch and see what it is like in school. We will keep adding to these in the next few weeks so keep checking back to see if there is anything new.

All of the adults in school are looking forward to meeting you and hearing about what you have been doing in the summer, if you have been on holiday, and all about the time you have spent getting ready for starting school.

It's ok to feel a little bit worried and scared at the moment. It is tricky as we haven't been able to meet each other but remember that your mummy and daddy or your grandma and grandpa are always there to give you a big cuddle and make you feel better. You could draw a picture of your worries and then place them in a box too, so you don't have to worry about them anymore.

Thank you for reading this letter and I hope you have a lovely summer. Take care of each other and stay safe.

From Miss Brash
