

July 2020—Mrs P's Final Newsletter of 2019-2020

In September 2019, no one could have predicted what this year would bring. The start of a new academic year is always hard after a long summer with family and the children and staff return with some trepidation, wonder about the changes and new beginnings. The Autumn term brought OFSTED and a commitment to improve and build upon communication and relationships with our community. I hope we all agree that we can now celebrate the strength of our family community, a family that has held on tight to each other when everything else was uncertain and at times quite frightening.

Thank you

"Thank you so much! We are very grateful that you have chosen our charity.

All donations enable us to provide support and advice to local people who are experiencing mental health difficulties, to help them get well and change their lives."

Hull and East Yorkshire Mind.

September 2020

We will be ready to welcome you back. It will be the "new normal" which is really quite different!

Re-visit the videos and letters on the well-being, transition tab of the website. We are still adding new items.

Keep your diaries on Purple Mash or create your own.

We look forward to sharing holiday memories with you.

Wave if you walk past the school and see us. We really enjoy those impromptu "catch-ups".

Kindest regards

Mrs Pidgeon

Thank you

To all the staff who went above and beyond and a particular thank to the leadership team who were often invisible but were there when we needed them.

A Final Message

All through lock down I have been inspired by the words of others, I made a promise, that I would write my own verses to end the year. However, disappointing, it seems that I am not a poet so I have reverted to my primary teacher routes and written you an acrostic poem!

We came together as a community

Everyone mattered, everyone was important

Loving and supporting our Welton family kept us strong

Time stood still, we were united

Overwhelmed by uncertainty

Now was the time to keep our loved ones close

Future dreams were on hold

Amid the devastation, we were resilient

Memories of yesterday were disappearing

Inspired by each other, we got through it

Loving and supporting our Welton family kept us strong

You will treasure this time together— an unsought gift
