

Dear Parents and Carers,

The Foundation Stage children have been working tremendously hard to create something very special, especially for you!

We have faced some very unprecedented times and it would have been lovely to welcome you all into our school hall to watch your child in their Nativity, as we are aware how special their first year of school is and how many treasured memories are created from this. However, this was not feasible with the current pandemic.

In order to ensure you can create these treasured memories, we have created a short film, starring your children as they sing the songs from our chosen Nativity 'Mary's Knitting'. We hope you enjoy watching this as your children wear their festive Christmas jumpers.

We are very proud of each one of your children as they have learnt their songs and actions.

They have all had a fantastic start to their first year at school and we look forward to welcoming you all back in January after the Christmas break.

We wish you a very Merry Christmas and A Happy New year.

We hope 2021 brings you all lots of cherished memories and happiness.

Please feel free to make one post on Tapestry with a selection of lovely things your child has been busy doing during the festive period, we would all love to see it.

Best Wishes,

The Foundation Stage Team

(Miss Brash, Mrs Jones, Mrs McLean, Miss Robinson, Miss Farrow and Mrs Ware)
