## Realistic Goals

I know that a goal is something I want to achieve. I know that I will have to think about how I will achieve it. To achieve something I will need a plan of what I will do.

## Perseverance

I know that perseverance is never giving up. I know that some tasks are really hard and some can be easy. I can explain how some tasks will require more perseverance than others. I know what my learning strengths are.

## Working with Others

I know that there are some people that I can work better with than others. To achieve my dream, there will be people who can help me. I can work with a partner and explain how we have helped each other.

## Cooperation

I know that working with others will help me to achieve a goal/dream. I can give the benefits of working together. I can say how feeling calm can help me to reflect and achieve.

## Teamwork

I know that by working as a team / group we can achieve a variety of things. Goals. I know how to store these positive feelings.

## Questions to Support Learning

- What goals have you set at school?
- What goal would you like to set for home?
- What do you need to do achieve your goal?
- How do you feel when something is difficult?
- How do you feel when you have achieved a goal?
- How do you like to celebrate when you achieve something you are proud of?
- How can we celebrate each other's achievements at home?
- Does Jigsaw Jo help you learn?
