Autumn Term 2022

We are quickly heading towards the end of the Autumn Term and the Festive season is just around the corner. You have also received a Christmas Update with a summary of dates and events for the last week of term so you can check you know what is happening. Thank you for all the support you have given the school this term. Our FOW's events continue to be very well supported and not only raise money for the school but provide lots of opportunities for families to enjoy time socialising and having fun together.

Staffing

We say goodbye to Mrs Fox at the end of this term. As a senior leader, Mrs Fox has led the KS1 team, Early Reading and many other things at Welton and we will miss her. We will be wishing her every success in the future and the new horizons that she will be exploring in the New Year.

We welcome Miss Sood to the school in January, an experienced teacher, relocating to the East Riding of Yorkshire. We know she will love the area and the school.

We are also pleased to let you know that Mrs Bibbington will be carrying on in her role of Year 2 teacher for the remainder of the academic year.

School Meals

We are very pleased to be able to tell you that it is very likely that the hot school meals service will be re-instated in the middle of January. Having finally conducted a successful recruitment process, we have identified a preferred candidate and once the necessary checks are completed, the Local Authority will be working with the school to resume serving hot meals. We are very optimistic this will be before the end of January.

Parent Survey

We know everyone is very busy at the moment but we would really appreciate your feedback in relation to the improvements the school has implemented in response to your views. Your feedback is important to us. Please follow this link to complete the survey.

Curriculum

Don't forget to look at the school website for information about what the children are learning in each subject across the year. Progression documents, vocabulary and knowledge or experience organisers are being developed for every subject.

Wishing you a peaceful holiday with your family.

Mrs Pidgeon

The screenshot shows the school's website navigation menu with options: About Us, Admissions, Well-being, Learning, Curriculum, and Parent. The Curriculum page is active, displaying a list of subjects: Core Curriculum, Curriculum Planning, Vocabulary, Phonics, Reading, Mathematics, Science, History, Geography, Jigsaw, Relationships and Sex Education, Art, DT, and Computing. Below the menu, there is a section titled 'Curriculum' with a sub-header 'HOME • CURRICULUM'. A blue box asks 'What is the intent of our curriculum?'. The text below states: 'At Welton Primary School we aim to provide a meta-ambitious curriculum, driven to challenge stereotypes based around the locality of the Humber region that meets the bespoke needs of our children.'
