*"We, at Welton have a dream that our children will be proud, happy and confident; knowing that they are being nurtured, challenged and encouraged to ignite their own unique spark of genius, so that it catches fire and shines."*

## Spring 2023

The start of 2023 has been, as always a busy one. We have enjoyed the support of our Welton Family in all that we do. Thank you.

## Morning Registration

We would like to say a massive thank you to you all for helping us start learning promptly every morning, it is making such a difference having all the children in the classroom by 8.55 am at the latest. We will continue to close the gates at 8.50 am moving forward.

## School Meals

We are delighted to welcome Mrs Clifford as our new Cook in Charge. The school meals look delicious and the children are really enjoying the return to a hot meals service.

## Book Exchange Library

You will have noticed that the Telephone Box Library hasn't progressed. The FOWS have agreed to support the project and we just need to find a landscaper with the availability to transform the area. This is proving difficult. If anyone knows of a company who may be interested in this kind of project please will you pass on the details of the company to office. Thank you.

## Writing at Welton

At Welton, our aim is to develop independent writers, who can confidently transform their ideas into engaging and purposeful texts, with the reader at the heart. This term, we have been making changes to how we deliver writing based on extensive research into best practice. Every unit begins with a hook to engage and enthuse the children before looking at lots of quality examples of the focus genre. We then ensure that we teach the necessary grammatical skills needed to write coherent and effective sentences. It is important that they are able to organise their thinking to meet the needs of their audience so the process of planning is explicitly taught. Over several days, the children will draft their text with ongoing modelling from the teacher. We want the children to see themselves as writers and see that writing is a journey. The children will spend time revising and editing their work before publishing in their best handwriting. The impact of these changes can already be seen throughout school and the children talk enthusiastically about their journey as writers.

## World Book Day and Book Fair

On Thursday 2nd March we are inviting the children to come dressed as their favourite character from an adventure story. All the children have been reading adventure stories and writing their own this term, so they should have lots of ideas.

We are also very excited to invite you to a Book Fair in school at 3.30pm where the £1 book voucher books will be available plus lots of others. We will ensure children in the OSC have an opportunity to visit the book fair.

## Parking Outside School

We have noticed that a number of people are stopping on the school’s yellow ‘zigzag’ road markings to drop off their children.

Can we ask that you please do not park or stop even for a short moment on these markings to ensure the safety of our children. This is referenced from The Highway Code. Any cars stopped or parked in the restricted area can easily hide small children who are about to cross the road.

## Plastic Bottle Tops Recycling

A really big thank you to everyone for supporting us to recycle plastic bottle tops.

Amazingly, we have now recycled over **315kg** of plastic so far and earned a further 66,000 Earth Points. We have now exchanged these for 2 sets of tables and chairs and a wonderful bookcase that [@Schoolcycled](#) has kindly personalised with our school logo.

It is great to think that these have been made from the bottle tops we all collect. Let’s keep it going. Maybe, as a family you could do a litter picking excursion over half term to collect bottle tops and make a difference in our community.

## Attendance

We are working with the Education Welfare Department to improve pupil attendance, which currently stands at 95.37% for the whole school. Good attendance is essential for pupils to get the most out of their school experience, including their attainment, wellbeing, and wider life chances. The pupils with the highest attainment at the end of key stage 2 have higher rates of attendance over the key stage compared to those with the lowest attainment.

As a parent, you are expected to:-

- Ensure your child attends every day the school is open except when a statutory reason applies;
- Notify the school as soon as possible when their child has to be unexpectedly absent (e.g. sickness);
- Only request leave of absence in exceptional circumstances and do so in advance;
- Book any medical appointments around the school day where possible.

We look forward to working with parents to ensure that all pupils get the most from their time at Welton Primary School.

### Attendance Ladder

How close is your child to 100%?

0 days off school	<b>100%</b>	Perfection
Equates to 2 days off school each year	<b>99%</b>	Excellent
Equates to 5 days off school each year	<b>97%</b>	Good
Equates to 10 days off school each year	<b>95%</b>	Slight Concern
Equates to 20 days off school each year	<b>90%</b>	Concerned
Equates to 30 days off school each year	<b>85%</b>	Very Concerned

### Positive Play

We have done a lot of work to improve playtimes in response to pupil voice, which has included adding indoor classrooms and more opportunities for sport and running games. To further develop this work the children tell us they would like more dressing up and large construction suitable for use outside (including on tables). If you have any dressing up outfits or construction sets that you no longer need, we would be very grateful for them.

### Swimming Lessons

The school continues to ensure that the children meet end of Key Stage 2 expectations before they leave the school at the end of Year 6 and there is still some catch up as a result of school closure. This year we are swimming at the leisure centre in Barton as Haltemprice were unable to provide any pool time. Attending swimming lessons whether at Haltemprice or Barton occupies most of a school morning and therefore we have identified sessions after KS2 SATS for Year 6 pupils, to reduce disruption to learning.

### Potential Strike Days

Please note, we cannot predict how the school will be affected by the upcoming teacher strikes and although we hope to remain open, partial and full closure remains a possibility. Please have some contingency plans in place. Thank you.
