## Decision Summer Record (DSR) Pathways

a) Review at next Target DSR identifies where further Support Meeting intervention could be explored before EWS consider the case for enforcement At Targeted Appropriate referrals made and Enforcement not required at this time. Support waiting for the support from Schools to evidence within a Voluntary Parenting Contract (VPC) or Action Plan Meetings b) School to remain lead for the VPC unless Education Welfare Officer (EWO) external services to be seen, in (TSM) terms of improved attendance doing direct parenting work School will present completed DSR identifies the need to Needs to be explored Enforcement not required at this time. sections 1 & c) request for service to offer before enforcement Schools to evidence within a Voluntary Parenting Contract or Action Plan 2 of the additional methods of support School to remain lead for the VPC unless EWO doing direct parenting work would be appropriate DSR. School (not already in place) and EWO will work through DSR identifies a pupil with Enforcement not required at this time. School to monitor with d) DSR and sporadic absences. Penalty family and refer a penalty notice once the 10 unauthorised Notice threshold not met session over a 13 school week threshold is met agree which pathway the case will progress, Meets criteria for Pupil accruing School to make PN ref to School to let EWO know in TSM e) through one sporadic absence Penalty Notice education.welfare@eastriding.gov.uk as we can only follow one process pathway of the at a time following options: DSR demonstrates that Attendance not EWO to pick up and School to inform family that their child's follow 'Fast Track to attendance will now be overseen by all avenues of improving after f) Education Welfare Service and a support/interventions interventions have had Enforcement' - EWO have been exhausted time to show impact representative will be in contact with them to hold case
