Introduction

what we do and what we ask you to do

This guide provides information and advice for parents, carers and guardians and their children who need to apply for a place at a primary school to start Reception in September 2025, commonly in the school year a child would turn four years old. This guide has been put together to explain how we can help you through the school admissions process and to let you know **what we do when you apply for a school place for your child and what we ask you to do**.

For many parents and children, the application process is relatively straightforward, as you have a good idea of the schools you would like your child to attend and you may reside in that school's catchment area. For others, different factors may be more relevant to you, or you might like to consider schools further away, perhaps as your child has an elder sibling there but you do not live in the catchment area. Although we do prioritise applications from children living in the catchment area and those with siblings already at a school, sometimes there are occasions when the total number of parental preferences do not match to the number of available local places.

Whatever your circumstances, it is important that you make an application for a school place on time and to the correct local authority – this is the body who coordinate admissions for the unitary or county area in which you live. For East Riding residents this is the East Riding of Yorkshire Council and the advice contained in this guide will be relevant to your application. If you live in another local authority area, for example in Hull, Doncaster, York, North Yorkshire or North Lincolnshire, you should apply to that local authority even if your preferred schools are in the East Riding. You should also consider their guidance to parents on applying for school places in addition to the information contained in this guide.

Please take the time to read this guide carefully and in particular, **take note of the key information and the oversubscription criteria for the schools that you are interested in**. Reading this guide before making an application may prevent misunderstanding later. If after considering the information available here you need more information, please contact the School Admissions team who will be happy to assist you further.

This guide also contains information for parents wanting to transfer their child from one junior or primary school to another at other times, what are called [in-year admissions](#) during or at the start of a new school year.

The deadline for applications to be submitted is 15 January 2025. Applications can be made online at www.eastriding.gov.uk/apply-for-a-school-place

If you can't apply online you can contact the School Admissions team by calling 01482 392100 or by emailing schooladmissions@eastriding.gov.uk to obtain an application form.

The results of on-time applications will be emailed to parents on the morning of Wednesday 16 April 2025.

Those who didn't apply online will receive letters in the post from Wednesday 16 April 2025.

No information about the outcome of your application can be provided to you by the school or the School Admissions team until at least Wednesday 16 April 2025.

Late applications cannot currently be made online and will be considered after all on time applications, and will be notified some time after the majority of applicants, likely from May and into June 2025.

Schools in the East Riding

What different types of primary school are there in the East Riding?

There are seven infant, six junior, and one hundred and eleven primary schools in the East Riding, which are a mix of maintained schools and academies to whom you apply to the Council for places; as well as three independent, fee-paying schools to whom you apply separately. This guide contains information on how to apply for places at a state funded infant or primary school.

All schools are ‘co-educational’, that is they educate both girls and boys, and most have catchment areas – these are fixed areas that do not change from year to year. No schools select pupils on the basis of their academic ability, but a small number of schools do prioritise children of faith.

One school, [Penshurst Primary School](#), is part of an ‘all through’ school with an age range of 3 to 19. For secondary admissions this means that those pupils in Year 6 can continue into Year 7 automatically and do not need to apply for a place there, though they may apply for a place at other schools should they wish to.

Which schools are academies and what difference does this make in terms of school admissions?

Of all the state-funded primary and infant schools, eighty three are either community or voluntary controlled schools. For these schools, the admission authority is the East Riding of Yorkshire Council, who set the admission arrangements for the school and make decisions about school admissions.

Three schools are foundation schools and two schools are voluntary aided. The remaining thirty schools are academies. For these three types of school the admission authority are not the Council, but rather the school’s governing body or academy trusts independent of the Council, who make their own decisions about school admissions.

For all schools and academies, **the Council co-ordinates the admissions procedure**, which means that as parents, you only need to make one application, and the Council will apply the admission arrangements that we believe each admissions authority have determined should be used to decide who should be allocated places if there are more preferences for places received than places available. The School Admissions team work with schools and academies to ensure that the application procedure and ordering of preferences is done fairly and in line with the law on school admissions.

All primary and infant schools in the East Riding are listed later in this guide with their ‘school type’ and relevant admissions information clearly shown.

How many schools can I apply for?

If you live in the East Riding of Yorkshire, **you can apply for places at up to three schools** – called preferences – within one school admissions application. If you live in another local authority area you may have a different number of preferences.

It is important that you make a balanced and realistic assessment of your chances of getting a place at the schools you name in your application. If you name three schools that are some distance from where you live and those schools have more preferences than places available, the school’s over-subscription criteria have to be used to decide which children can be given a place, and those most distant from the school who do not meet some of the ‘higher’ oversubscription criteria will be unsuccessful. There is more information on the oversubscription criteria we believe each admissions authority will apply later in this guide, as well as data on how many preferences each school received in the last few years. Naming your catchment school as one of your preferences gives you the best chance of gaining a place at a local school. Places will not be held for your child at any school, including your catchment school, so please consider your preferences carefully.

When would my child start primary school?

All children allocated places will be able to start at their new school in Reception on the first day of the autumn term in September. Before then, the primary school your child has been allocated will contact you to let you know about any induction days, familiarisation visits and any other arrangements they have in place for helping with the transition to primary school. The school will also send you information about school uniforms.

There is a legal requirement that all children attend school or receive suitable education once they reach compulsory school age. The actual points at which each child reaches this compulsory school age are set out in the table below:

Child's fifth birthday falls between	Child reaches compulsory school age
1 September 2025 and 31 December 2025	31 December 2025
1 January 2026 and 31 March 2026	31 March 2026
1 April 2026 and 31 August 2026	31 August 2026

Can my child continue in the same school where they are at nursery?

Nurseries and pre-school providers can be run by the local authority, schools, or private and voluntary organisations. Some schools have separate nursery classes and some have foundation stage units where nursery and Reception children share the same space or resources.

If your child has been attending a nursery or a Foundation Stage 1 class or unit, you must still apply in the normal way for a full time place at a school in the Reception year (sometimes called Foundation Stage 2). Attending a nursery class or being in the first year of a foundation stage unit does not guarantee a place at a particular infant or primary school. Equally, attending a nursery class or a foundation stage unit at a school does not mean that your child has to attend that school: you can apply for a place at any other school.

It is important to remember that whilst many children who attend a nursery may go on to attend the school linked to that nursery, **the admission of children into the Reception year at an infant or primary school is a completely separate process to nursery admissions.** Attendance at a particular nursery class or early years provider does not give a child any priority within the admissions policies for schools with [standard criteria](#), even if the school and nursery are located on the same premises or the nursery is run by the school itself. In the East Riding, only [Gilberdyke](#), [Warter](#), and [Withernsea](#) primary schools prioritise attendance at a nursery in their oversubscription criteria.

Starting primary school at a different time

Parents can decide to defer their child's admission to school to a later date, up to the point at which the child reaches compulsory school age (see table above), at which point a child with a school place must be in school full-time. After September, when places are made available to all children on a full time basis, parents are advised to maintain half termly contact with their child's allocated school as to their intentions of when they wish for their child to take up their school place. Starting after September is called **deferred admission**.

Parents should also speak to their allocated schools if they would prefer some part time attendance until the child reaches compulsory school age.

If a parent/carer of a 'summer born' child, one that was born between 1 April and 31 August, wishes to retain the school place first allocated to their child for that school year, they must arrange for their child to have started by no later than the start of the summer term in the Reception year. Allocated school places may not be deferred beyond the start of the summer term in the Reception, if the same school place is retained. Parent/carers can, if [East Riding Guide for Parents/2025-26/Primary](#)

they would like their summer born child to start later than the start of the summer term, either request delayed admission to a lower year group (see below), or apply for an ‘in-year’ school place for the start of Year 1 for their child. In-year applications for a school place for the following school year should be made by 31 May 2025.

Once a child has reached compulsory school age, parents do have a legal duty to ensure that their child attends school regularly and full-time. Regular school attendance directly affects how well a child performs in their school life. Poor attendance or inappropriate absences from school (including absences for family holidays) are also linked to significant social and behavioural problems. Parents who do not make sure that their child attends school properly or who do not make appropriate arrangements for their child to be educated may face legal action by the local authority. More information is available from schools or from the Council’s Education Welfare Service.

If parents want their child to start primary or infant school in a year group other than that relevant to their child’s age, that is not in the school year they would turn five, parents must submit a request to be allowed to make an application for an earlier or later school year, to the school’s admission authority together with any supporting documents. For an earlier school year, please do so by 30 November 2024.

For a later school year, and only for parents of children who are summer born, that is those born between 1 April and 31 August, parents may request that their child start the Reception year twelve months later than their chronological peers. This is called **delayed admission**. It is a parents right to request delayed admission if you feel this is best for your child, but the decision is for the admission authority to make.

Parents may wish to contact the School Admissions team to discuss their circumstances or seek advice prior to making an application for admission in a year group other than that relevant to their child’s age.

Decisions about whether or not an application can be considered for admission to a year group other than that appropriate to the child’s age will be made by the admissions authority – this could be a school governing body, an academy trust, or the Council depending on the type of school. Applicants may be asked to submit additional documentary evidence in support of their request to be allowed to apply for a place in a different year group for their child.

In determining such a request, the admission authority will consider each case on its own individual merits. If it is decided that an application for a place in a year group other than that appropriate to the child’s age can be submitted, the parent’s application will then have to be processed and determined in accordance with the relevant co-ordinated scheme and the published admission arrangements for the school in the relevant year.

The equal preference system

How an equal preference system works

When you apply and you express up to three preferences, you rank them in the order you prefer. We strongly recommend that you name your catchment school as one of these preferences. Should you not express a preference for your catchment school, a place will not be held there in reserve for your child. We will not come back to you to ask for further preferences, or to check the order of your preferences after you have submitted them.

We operate an equal preference system, which means that if you submit preferences for three schools, **we consider each of these preferences separately** on its own merits according to the oversubscription criteria for that school.

When we come to finalise the allocation places, if we could allocate you more than one of your preferences, the school allocated to your child will be the school that you ranked highest. Any lower preferences we could have allocated will be released for other applicants. Once this process has been repeated several times for all schools,

allocations have been finalised. It is then that we confirm allocations in writing to applicants, on National Offer Day.

Could I be allocated a school I didn't name as a preference?

Yes, but it is unlikely in most cases, especially where you have named three preferences, and one of those preferences is your catchment school.

If when finalising the allocation of places, we are unable to allocate your child a place at any of your preferred schools, your child will be allocated a school that was not of your preference. This will usually be a place at your catchment school, or at the nearest alternative school with places available, though if this school in turn becomes full through allocating children in a similar position, the final school allocated may be some distance from your home address. It may not be your catchment school if that school has filled up with preferences.

We advise that you **consider your preferences very carefully** and rank three considered schools in your preferred order. Failure to name sufficient preferences in the hope of being allocated your first and only preference often leads to disappointment.

Advice

We hope that the information in this guide provides you with answers to the most commonly asked questions, but it may be that you wish to discuss your situation before making an application. The School Admissions team is available to give advice to all applicants and can answer most questions parents might have. What we can't do is tell you what schools to name as a preference or give you any guarantees or predict the likelihood of any one school being allocated as each year's situation is different for each school, with a different number of children, making different preferences from different locations. We have provided some information from previous years in this guide to show you how admissions for certain schools looked in previous years, but it should always be noted that the past is just that – things may be different this next year.

If you have any comments or feedback either on the information in this Guide or on the process for applying for school places, you can contact the School Admissions team, preferably setting out your comments in an email to schooladmissions@eastriding.gov.uk. We are always looking for ways to improve our work with residents and your suggestions will help us shape our future services.

Your data

Information about how the details and data provided in your application will be used is detailed in our [privacy notice](#).

The information contained within this Guide for Parents relates to the school year starting in September 2025 and is correct at the time of writing in August 2024. It should be noted that there could be changes that affect the arrangements generally described, or any part of them, before the start of the 2025-26 school year or in subsequent years.

Applying for a school place

what you need to know before applying and how to make an application

Key information you should know before making an application

In deciding which school is the best one for their child, parent/carers usually take into account a whole range of factors. By parent/carers we mean a child's mother or father or somebody with the legal authority and parental responsibility for that child. Some key things for you to consider are set out below.

Your home address

You may only use one address when making an application. This must be the address **at which the parent/carer and child are ordinarily resident**. We may check addresses against other records held by the Council.

Addresses must be permanent addresses, and not be those of relatives (even if those relatives assist with the care of the child) or temporary addresses such as staying with family or holiday accommodation.

Where there is joint residence, the address used should be the address at which the child is resident with at least one parent/carer for the majority of school nights (Sunday-Thursday).

If joint residence is evenly split, then parents/carers must jointly select one address and note only this address on the application, which will apply to all preferences. You should note these circumstances as supporting information in your application. This address cannot then be changed later after an application has been submitted.

Where an allocation of a school place has been made on the basis of fraudulent or intentionally misleading information which has effectively denied a place to a pupil with a stronger claim, the place will be withdrawn.

We retain the right to withdraw a school place at any time if an application is found to be fraudulent or intentionally misleading.

Children with special educational needs

Where children have an Education, Health and Care Plan (EHCP), **there is a different admission process**, and parents are recommended to seek advice from the SENDCO and the Special Educational Needs team about applying for a school place. Applications received relating to children with Education, Health and Care Plans will be dealt with in accordance with the Special Educational Needs and Disability Code of Practice.

Children who do not have an EHCP but may be on the SEN Register or have My Support Plans with some additional needs, may wish to seek advice from the SENDCO at their child's current school, but should apply by the stated deadlines as for other applicants. Please note that a child's special educational needs are not used when applying the oversubscription criteria for schools, so it is highly unlikely that these factors can be taken into account unless an EHCP is held by your child.

Currently and previously looked after children

If your child is 'Looked After', that is in the care of a Local Authority, was previously Looked After, or has been adopted from care, your child may have a different priority in the oversubscription criteria for your preferred school. You will **need to provide us with written proof** of their status after applying.

School catchment areas

All areas of the East Riding fall within a primary school catchment area and for most children their catchment area school is also their closest school. In parts of Goole, three schools share a catchment area. Most children

choose to apply for their catchment area school and go on to attend there, as attending a school in the area in which they live has many benefits such as in getting to and from school easily, and retaining connections within their local community.

If you express a preference for a school that is not your catchment school, it is important that you understand that your preference will be considered under a lower priority than those who live in the catchment area.

We strongly recommend that you consider your catchment school and use one of your three preferences, even if it is your final preference. This is because if you are unsuccessful in being allocated all the schools you express a preference for your child will be allocated a school that was not of your preference. A place is not reserved at your catchment school for your child, but instead we will go on to allocate a place for your child at a school you did not name as a preference. This may be your catchment school, but could be another school that is selected as the nearest alternative school with places available.

A place at your catchment area school **cannot be guaranteed**. Although it is very rare, on occasions it is not possible to allocate everyone a place at their catchment school. Therefore, when completing your application, even if you name your catchment area school as your first preference, we recommend that you also name at least a second preference and preferably a third as well.

Make sure you know which school your catchment school is, you can [view maps of catchment areas online](#) or contact us to check individual addresses with us before making an application.

If the place your child is allocated is at a school which you are not in the catchment area for, or if you move out of the catchment area you now reside in, then you may have less chance of being successful when applying for any younger siblings, which could cause you difficulties in future years.

Siblings

We define siblings as brothers or sisters living in the same family unit in the **same address as their primary place of residence**. This includes half-, step- and foster- brothers or sisters at the same address, but does not include full-, half-, step- and foster- brothers or sisters living at different addresses as their primary place of residence. A family unit consists of children and their parents, carers or guardians. Parents, carers or guardians, includes any person who is the birth parent, or a person with full parental responsibility, special guardianship or who has care of that child.

Many parents prefer all their children of a similar age to attend the same school and have similar experiences. The admission arrangements of most schools give **some priority** to children with sisters or brothers already attending that school and who will, if the application for the younger sibling is successful, be attending the same school at the same time. However, **it cannot be guaranteed** that children will get a place at the same school as their siblings and most admission arrangements for primary schools prioritise children who are currently in Reception or years 1-5 at the time of application, though this may differ by school. The admission arrangements of East Riding infant schools give **some priority** to children with sisters or brothers already attending the preferred infant school in Reception or years 1 to 2, and also to any siblings attending a junior school in years 3 to 5 where the preferred infant school is a named feeder school to that junior school. However, **it cannot be guaranteed** that children will get a place at the same school as their siblings.

Having children of similar ages at two different schools can be difficult. Some parents find that they are successful in obtaining a place for their eldest child but are unsuccessful for their younger children in future years, perhaps as different numbers of children in each year group and their locations can mean applications from one address are successful in some years but not others. If you obtain a place for one of your children at a school, this does not mean that places can be guaranteed for their siblings either currently in other year groups or at a later date. Exceptions cannot always be made to admit siblings into a school if the classes are full.

If applications are submitted for siblings in the same year group at the same time and a place is available for one or more but not all of the siblings from the same family, in most circumstances the admission authority would exceed the admission number to allow them both/all to be placed at the school. In some circumstances where the law on infant class sizes restricts classes to no more than thirty pupils, this may mean this is not always possible.

Other things to consider before making an application

Feeder schools

If you prefer an infant school for your child, bear in mind that they will have a place at that school until the end of year 2 and you will have to apply in due course for a place in Year 3 at another school. Should the school you prefer for Year 3 be a junior school, and the infant school your child then attends is a named feeder school for the school you prefer, this may be taken into account by the admission authority when making decisions. However, it cannot be guaranteed that children will get a place at a junior school when attending an infant feeder school.

Distance to the school

You may prefer a school outside the immediate area in which you live. If this is the case, you might also need to consider the practical considerations of getting to and from a more distant school, and the implications on the length of your child's commute and transport costs and availability should your preference be successful. Transport services and timetables, routes and fares can all change and services can be withdrawn at short notice. If your preferences for schools are dependent on specific transport services being available at a certain cost you can afford, we recommend that you consider how your children would get to school if those services changed or the fares increased.

The East Riding of Yorkshire Council normally provides free transport only if the child has to travel some distance to their catchment area school. More information about [home to school transport](#) is given later in this guide.

Contacting or visiting your preferred schools

You can ask to meet the head teacher or relevant staff. Most schools arrange specific days and times for parents and children to visit the school and talk to teachers, and some schools are also happy for you to visit them at other times by appointment. [School contact details are shown later in this guide.](#)

Data on school performance

Performance information for attainment of past and current pupils are available online and can provide parents with an indication of pupil achievement at the school and allows some comparison between schools' historic performance. Whilst data is useful, they do not provide the whole story and need to be read along with other information about the particular circumstances of the school. The performance tables themselves can be seen online at www.gov.uk/contact-dfe.

You can also read the latest Ofsted inspection report for schools. Inspection reports can be seen at the school, the local library and online at www.ofsted.gov.uk. These reports can give a detailed snapshot of the school, but remember to look carefully at the details as well as date of the inspection: if the inspection was some time ago, the information may be out of date, or the assessment framework may differ between older and more recent inspections, focusing on different aspects of a school's performance.

Other parents

Finally, talk to your friends, family and other parents who have children at the school or whose children have attended the school recently. Talk to as many as you can to get a range of opinions: one person's experience of a school will be different from another's, so it is important that you get as wide a range of opinions as possible.

How to make an application

Who can make an application?

You can only submit an application for a school place if you have **parental responsibility for the child** named in that application. If you share parental responsibility, you must be in agreement with others that also have parental responsibility about the preferences and information submitted. Please ensure all parents **have discussed and agreed preferences** before one parent makes the application.

If we receive conflicting instructions for the same child we will not process the application any further at that point until we are provided with further evidence as to which parent's wishes should be accepted, for example a family court order. If a school place has been allocated by that time, the process for your child may be frozen.

Where do I apply?

All parents must apply to local authority in **the local authority area in which they live**, and not the local authority in which their preferred schools are located.

If you live in the East Riding of Yorkshire, you must apply to the East Riding of Yorkshire Council, even if the school at which you want a place is outside the East Riding. For example, if you live in the East Riding and want a place at a school in York or in Hull, you must make an application to the East Riding and in that application name a school in York or Hull. Similarly, if you live outside the East Riding but would like to apply for a place at an East Riding school, you must apply to your home authority. All local authorities ensure that applications for places at schools outside their areas are passed on to the appropriate local authority and admissions authority – this is the role required of local authorities by law.

How do I apply?

You apply online at www.eastriding.gov.uk/apply-for-a-school-place. With an online application you register your email address and add your child to a secure online account on our Citizen Portal. Once your account is set up and verified, you select your preferences and reasons for those preferences. You can also upload documents that might be relevant to your application on the Citizen Portal.

You will receive an email confirming submission of your application. You must **remember to submit your application by the closing date**, and if you make changes to your application online you may have to resubmit the application. In the days before the closing date, you will receive email reminders if your application has not been submitted correctly.

If you have difficulty applying online, you can contact us and we can talk you through how to apply online and if you can't apply online you can request an application form.

Make sure you know which school is your catchment school or contact us to check before applying.

You can only make one application and you have three preferences to name schools located either in the East Riding or in another local authority area.

Supplementary Information Forms (SIFs)

You may need to complete a Supplementary Information Form (SIF) for any school in the East Riding where you are providing additional information for that admission authority to apply their own oversubscription criteria – this will always be where the school is using some criteria other than the **'standard criteria'**. If you are applying for a school outside the East Riding you may need to check with that school or local authority whether a SIF is required. Usually SIFs are required only where applying for a school on the basis of your faith, such as to provide details of baptism or religious attendance.

If a SIF is required, you should return it direct to the school, but still make an application to your home local authority in the normal way, and name that school within your application. The additional information requested on these forms will be in order for these schools to apply their own oversubscription criteria.

Application deadlines, late applications and changes

When should I apply?

You need to ensure that you have applied, either online (and submitted your application), or by returning an application form by the deadline of **15 January 2025**.

Late applications

If an application is received after 15 January, it may be regarded as a late application by the Council or by another coordinating authority or admission authority. Where the applicant has a good reason for applying late, for example if a family has moved into the East Riding after the deadline for applications, the application will be considered with all other applications so long as it is lodged by 26 February 2025.

Applications lodged after 26 February may be considered only if it is practicable to do so, in line with our commitments to other parents, schools and local authorities. **Late applications will be administered later** and if received after the start of the new school year will be administered as in-year applications with the coordinated scheme and admission arrangements for processing in-year applications being used to determine the outcome. Separate advice and guidance on in-year applications is available later in this guide and from the School Admissions team.

What should I do if my preferences change after I have submitted the application?

If you decide after submitting your application that you would like to change the order of your preferences please send your new preferences in writing to us, and **make sure they are clearly stated in preferred order**. They should be from the same person who applied, preferably by email. If we can, we will take these into account before allocations are made and this may include replacing any previous preferences you have expressed or any previous allocations of school places we may have made. For preferences for schools where the school is outside the East Riding, or a school where the Council is not the admission authority, we may not be able to accept changes after the closing date for applications.

We cannot accept any changes for a primary application after 26 February where there would be an impact on others' applications. Any changes received after we are able to process changes will be put aside and actioned after National Offer Day.

What should I do if my circumstances change after I have submitted the application?

A change in your family circumstances may affect an application for a school place in a number of different ways. You or your child may move to live at a different address or an older sibling may change schools. If after you have submitted your application, your circumstances change in a way that would affect your application you must amend your application. If you have applied online, you can go back into your application any time before the deadline of 15 January and amend and then resubmit it. After 15 January, or if you didn't apply online, you will need to contact the School Admissions team in writing with details and proof regarding your change in circumstances.

Change of address

Changing your admissions address after you have made an application but before your child would be due to start school, can often lead to difficulties in obtaining school places locally, and we would recommend that if you plan to move before your child starts a new school, you contact us at the earliest opportunity.

If you change your address after submitting your application, please send us the relevant proof of this change (see

below). **You must do this once the change has taken place, even if you have previously notified us of your intention to move.**

We try to take all changes of address into account throughout the application period, so if your address changes, you should let us know immediately. If we can, we will take this new address into account before allocations are made, though after 26 February, this is unlikely and changes will be put aside until after National Offer Day. For preferences for schools where the school is outside the East Riding, or a school where the Council is not the admission authority, we may not be able to accept changes as easily after the closing date for applications.

Any changes received after we are able to process changes will be put aside and actioned after National Offer Day.

Proof of residence

Where you use an address in an application, **we may request further proofs from you that your child is ordinarily resident at the stated address.** In cases where schools have available places after National Offer Day, or in-year applications where places are available, we may not require proof of address to proceed with the allocation of a school place. We may request to see both entry and exit proofs when we query your address. If we require any proof of residence, we will contact you to request it before we can continue with your application.

Entry proofs include assurance that you are resident and registering for council tax at the stated address. Should council tax records not be available, we may instead request military posting, quartering or marching out orders or other official documents showing you are resident at that address.

Exit proofs include any relevant documentation pertaining to the disposal of your previous address and include, for example, signed tenancies and proof of exchange or completion to the next resident. Additional information may be requested at any time. We may also require satisfactory details of the ownership, tenancy and disposal of any previous addresses. If moving into the East Riding from another local authority area, we ask for proof that your council tax account at your previous address has been closed.

Where you own one property, but are renting or proposing to rent another property, we will require evidence regarding your intent including a full copy of your new tenancy agreement, signed by yourself for a minimum duration of 12 months. For a 6 month tenancy we ask for written confirmation from your landlord that they will not issue a 12 month tenancy agreement and the reason(s) why or confirmation that it is a 6 month rolling tenancy with the expectation that you will be in the property for longer than 6 months.

If you own a property and we have reason to suspect that a rental address is being used in order to fraudulently gain a place at a particular school, the rental address may not be considered when allocating school places.

National Offer Day

All applicants in every local authority area will inform applicants of the results of their application on one day – National Offer Day, which this year is Wednesday 16 April 2025.

If you live in the East Riding of Yorkshire and you apply online you have the option of requesting that you will be notified by email. If you selected this when you submitted your application, **we will send an email with the results of your application by 12noon on National Offer Day.** The e-mail will be sent to the email address you gave when you submitted the application. Once the application is submitted and the deadline for applications has passed, the e-mail address on the application cannot be changed, and emails cannot be requested later. **Letters will be sent out with the formal notification of allocations.** Every effort will be made to ensure that all letters and emails are sent out on National Offer Day. However, the Council cannot accept responsibility for any technical problems or mail delivery problems which delay the delivery of a letter or e-mail.

Both schools and the School Admissions team may not be able to give out any information about the outcome of an application until the day after National Offer Day. This is so **all applicants have a chance** to receive their emails and letters and consider them.

After National Offer Day, most applicants don't need any further contact with the School Admissions team, perhaps because the school their child was allocated was their first preference – in 2024, this was 96.9% of all primary applications. However, if you need further advice, for example on waiting lists you can contact us for guidance, some of which you can find later in this section. See also the section later in this guide on [appeals](#).

Key dates for admission in September 2025

Applications must be made by	15 January 2025
National Offer Day – results sent to parents on	16 April 2025
Appeals against refusals to be submitted by	23 May 2025
Appeals planned to be heard in	June and July 2025

What happens if my child is refused a place at their preferred school?

If you are refused a preference for a school for your child, and the school your child has been allocated was named as a lower preference, then your child will **automatically be placed on a waiting list for that school**, if that school is an East Riding school. You can also [appeal](#) against the decision of the admission authority to refuse.

It is important to note that sometimes preferences have to be refused because the statutory limit on infant class sizes has been reached. This is where the admission of an additional child to a class or year group would breach the limit of 30 pupils per teacher in classes for Reception, year 1 and year 2 pupils.

Waiting Lists

Where a preference for a school is unsuccessful and a child has not been allocated a place at a preferred school ranked as a higher preference in their application than the one allocated to a child, that child's name will be placed on a waiting list for places. If you live in the East Riding, and you did not name your catchment area school as one of your preferences, your child's name will also be added to the waiting list for a place at that school. This happens automatically for all refusals. You do not need to request to be added to a waiting list if the school was named as one of your original preferences. If you would like to be added to a waiting list for a school you did not originally express a preference for, you should contact us in writing as soon as possible after National Offer Day.

Waiting lists will be maintained until 31 December 2025. Should the admission authority for the school wish to continue to maintain such a list, for example as an 'in-year' waiting list for the remainder of the school year, as the Local Authority does for community and voluntary controlled schools, they may do so according to their own admission arrangements. For more details on waiting lists after 31 December, you should check the 'in-year' admission arrangements for the relevant school(s).

If the number of allocated places (or the number on roll after the first day of the school year) falls below the admission number, any spare places will be allocated to the children with the highest priority for a place on the waiting list on the day that place became available.

Waiting lists are ordered using the same oversubscription criteria as decided to whom places should be allocated, but can change **according to the current circumstances of each pupil** – as required by law.

It is important to note that this means that with many changes of request and circumstances for any school, that if placed on a waiting list, **your child could move both up and down the list**. There is no priority on a waiting list based on the length of time your child has been on it, or the date of your application.

We maintain contact with all admission authorities after National Offer Day and will continue to coordinate school admission requests with them, dealing with any changes that may come about. For example if places are not required by some children, or children are allocated places at other schools, this may mean that places become available to be allocated from the waiting list at a later date. We continue to apply the oversubscription criteria we believe each admissions authority have determined to prioritise those children on each waiting list.

How places are allocated

admissions schemes, arrangements and criteria

Each school or admission authority must have a set of [admission arrangements](#) that detail how preferences will be considered and how many places will be allocated. These policies each contain [oversubscription criteria](#) that make clear who will be allocated places and who will be refused if there are more preferences received for places than there are places available. All these policies are set by different admission authorities, such as academy trusts, governing bodies, or local authorities, and all are **overseen by the Council within the co-ordinated scheme** which provides information on how and when to make an application and when and how applicants are informed of the results of their applications.

Together these different documents make up the local admissions system for the East Riding, and the information has been compiled into this guide so you can consider them in advance of making an application. If you are in any doubt about something you see here, online, or in a policy or other document, you can [contact us](#).

The full policies are not included in this guide. Instead they are published each year and are [available online](#). We recommend that you consult these policies fully before applying for a school place. The oversubscription criteria detailed below may not include other details that you should be aware of when making an application, such as deadlines or definitions of terms used in these policies, so if you are unsure, it is best to check before applying.

The co-ordinated admissions scheme

The co-ordinated scheme is, in effect, the local rules of how you apply for a school place – the framework in which the admissions system operates. A full copy of the East Riding's co-ordinated scheme for primary school admissions is [available online](#) or from the School Admissions team.

All local authorities in England are required to have co-ordinated schemes for primary school admissions. Under these schemes, **a local authority is responsible for processing all applications for school places from applicants living in their area**, even if the applicant wants to apply for a place at a school in another authority's area. Applications are then exchanged between authorities where applicants have applied for out-of-area schools. The local authority receiving the application will then process it in accordance with its co-ordinated scheme for school admissions.

An applicant living in the East Riding will have to apply to the East Riding of Yorkshire Council for a school place, either online at www.eastriding.gov.uk/apply-for-a-school-place or if they cannot apply online, by obtaining a paper application form from the School Admissions team. Applicants will be asked to name up to three schools and to say which are their first, second and third preferences.

An applicant living outside the East Riding will have to apply to the local authority responsible for their home area. Any application naming an East Riding school as one of the applicant's preferences will be forwarded to the East Riding of Yorkshire Council.

After the deadline for applications, all Councils start to **process all the information provided to them** in applications, such as preferences, reasons and addresses, and **exchange data with other local authorities** where applicants live in one area and are applying for school places in another.

After this period of validating and processing applications, the Council then creates a list of all preferences for each school, including first, second and third preferences. **The Council does not inform the school of which preferences are first, second and third preferences**, but instead informs the relevant admission authority of the total number and details of all preferences. Should there be more preferences for a school than there are

places available, the admission authority has to rank them in priority order, and this ranking of preferences will determine who can be allocated places and who will be refused and placed on a waiting list.

The admission authority

The admission authority is the body who is responsible for the admission arrangements for a school and makes all decisions regarding admissions. For community and voluntary controlled schools the admission authority is the Council and therefore the steps below will be undertaken by the School Admissions team. For an academy school it is the trust board of the Academy Trust, and for a foundation or voluntary aided school the admission authority is the governing body.

Admission authorities have to set and publish the admission arrangements about six months before applications can be made and then have to apply these arrangements to all preferences after the Council provides a list of all preferences for ranking in priority order.

How does an admission authority decide which applicants qualify for places at a school?

The admission authorities for all the schools named as preferences by the applicant will be asked to consider that preference and **use their published admission arrangements** to determine whether or not the child concerned qualifies for a place at the school.

After receiving a list of all preferences from the Council, all admission authorities have to see if the number of preferences received is less or more than the school's published admission number. If it is less, then all those who have a preference for the school will qualify for a place, and this information is sent back to the Council for processing.

However, if the number of preferences received is more than the published admission number, the admission authority uses its published admission arrangements to decide which applicants qualify for places. It does this by **ranking all preferences against the oversubscription criteria** contained within its admission policy, and produces a list that it sends back to the Council for processing.

Examples

School A receives 57 preferences for 60 places. As the number of preferences received is less than the number of places available, all those who have applied will be eligible for a place. The admission authority will inform the Council that all 57 can be allocated places.

School B has 65 preferences for 60 places. As the number of preferences received is greater than the number of places available, all preferences must be considered against the oversubscription criteria for the school and a list of all preferences created. This list will be from 1 to 65. The admission authority will inform the Council that those in position 1-60 on this list can be allocated places, and those in position 61-65 cannot.

How do these lists then become allocations?

Upon receipt of the lists of preferences for schools where all preferences can be allocated a place and ranked lists for all schools where there are more preferences than places available, the School Admissions team then combines these lists into a complete list of all preferences for schools and whether they can be allocated places, their rank as provided by the admission authority, and whether the preference was the applicants first, second or third preference (remember schools are not informed which preferences are first, second or third preferences as we operate an equal preference system).

Councils continue to share all relevant information provided to them and exchange data with other local authorities where applicants live in one area and are applying for school places in another.

Some applicants will qualify for a place at more than one school. However, the co-ordinated scheme ensures that that each applicant is only given a place at one school, as:

- if the child qualifies for a place at **only one of the schools named as preferences** in their application, they will be allocated a place at that school; but
- if the child qualifies for a place at **more than one of the schools named as preferences** in their application, the child will be allocated a place at the school ranked **highest** by the applicant.

As these places no longer required are released for other applicants, more children are allocated places at schools they named as preferences until no more preferences can be met. Last year, for entry in September 2024, just over 96.9% of applicants were allocated their first preference school and only 0.5% of applicants were allocated a school they did not name as a preference.

If the child does not qualify for a place at any of the schools named as preferences in their application, the child will be allocated a place by the School Admissions team **at their catchment school if a place is available**, or where a place is no longer available at their catchment school, a place will be allocated **at the nearest East Riding of Yorkshire school which has a place available**. If you live in another local authority area, that Council may have a different policy where no schools named as preferences can be allocated.

In all circumstances where preferences are refused – any unsuccessful preference that was named as a higher preference than the school allocated – the child will be automatically added to the waiting list for that school.

The admission arrangements including oversubscription criteria

What are published admission arrangements?

Each year admission authorities have to determine how many children they will admit (**the published admission number**) and the oversubscription criteria that will be used to prioritise applicants if a school is over-subscribed. Together these are called the **admission arrangements**.

Admission authorities use their determined admission arrangements to decide which applicants are eligible for a place at the school.

Do the admission arrangements vary by school?

Yes. The admission arrangements for community and voluntary controlled schools in the East Riding are set out below and these oversubscription criteria are referred to in this guide as the **‘standard criteria’**. You should consider these criteria alongside key information stated earlier in this guide, for example for the definition of sibling.

Academy, foundation, and voluntary aided schools may have very similar arrangements to community and voluntary controlled schools or they may have different oversubscription criteria.

Many schools that have now become academies, but were previously community or voluntary controlled schools, decided when becoming academies to continue to align their admissions processes to the standard criteria.

Where the Council has not been informed that different criteria will be used, the ‘standard criteria’ as below will be used unless the admission authority for the school informs us otherwise.

Where the Council **has been informed that different criteria will be used**, that are in a different order or with different definitions, a summary of these are detailed later in this guide by school, though the full admission arrangements should be consulted for detail. This is the case for the following schools in the East Riding:

- [Airmyn Park Primary School](#)
- [Barmby Moor CE Primary School](#)
- [Beverley St Nicholas Community Primary School](#)
- [Bilton Community Primary School](#)
- [Croxby Primary School](#)
- [Dunswell Academy](#)

- [Gilberdyke Primary School](#)
- [Hook CE Primary School](#)
- [Howden CE Infant School](#)
- [Hunsley Primary School](#)
- [Keyingham Primary School](#)
- [Melbourne Community Primary School](#)
- [North Cave CE Primary School](#)
- [Our Lady and St Peter Catholic Primary School](#)
- [Penshurst Primary School](#)
- [Pollington-Balne CE Primary School](#)
- [St John of Beverley Catholic Primary School](#)
- [St Joseph's Catholic Primary School](#)
- [St Martin's CE Primary School, Fangfoss](#)
- [St Mary and St Joseph Catholic Primary School](#)
- [St Mary's Catholic Primary School](#)
- [Stamford Bridge Primary School](#)
- [Swanland Primary School](#)
- [Warter CE Primary School](#)
- [Wilberfoss CE Primary School](#)
- [Withernsea Primary School](#)

Where a school's oversubscription criteria do not define a specific term used and the same term is used in the standard oversubscription criteria, the definition is likely to be the same as that set out for 'standard criteria' schools but you may wish to check the full admissions policy for the school concerned.

For all schools outside the East Riding, **you should consult the school prospectus or that local authority's guide for parents for details** of the oversubscription criteria that would be used.

'Standard' oversubscription criteria for schools in the East Riding

The following criteria set out below will be used to prioritise all preferences received for a school that has 'standard criteria' within their admission arrangements. These criteria will be used where there are more preferences for places than places available up to and including the published admission number/number of available places. They are also used to order any waiting list held.

Criterion (i) – Places will first be given to children who are looked after by a local authority and to children who were previously looked after, including children who were previously looked after outside England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order.

A looked after child is a child who is in the care of a local authority or is provided with accommodation by that authority (see section 22 of the Children Act 1989). Any application submitted for a child who is looked after by a local authority should be supported by the authority's Children's Services Department. An 'adopted child' is a child adopted under the Adoption and Children Act 2002 or Adoption Act 1976. A 'child arrangements order' is an order made under the terms of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

It is the responsibility of applicants to include with their application any details or documents that would allow the admission authority to consider the relevance of Criterion (i), for example by providing the name of the relevant care authority and or copies of the relevant orders.

Criterion (ii) – Places will next be given to children who live in the school’s designated catchment area.

Information about catchment areas can be obtained from the School Admissions Team or from the school. Maps of catchment areas are available from the School Admissions team or online at www.eastriding.gov.uk. The child concerned must be resident in the catchment area by 26 February 2025 to qualify under this criterion in the normal primary admissions round.

A child is normally deemed to be resident with their parents/carers. If a child has more than one home address, the applicant must use on the application form the address at which the child lives for the majority of school nights (Sunday-Thursday). Documentary evidence may be required to show that the child is resident at the address, which may include both ‘entry’ proofs of the current address and ‘exit’ proofs of any previous addresses. For more information please see the detailed advice on addresses and catchment areas earlier in this guide.

Criterion (iii) – Places will next be given to children who have a sibling attending the school at the time of admission.

It is the responsibility of applicants to include with their application the name of any sibling(s) for consideration under the oversubscription criteria. For more information please see the detailed advice on siblings earlier in this guide.

For infant schools, places will next be given to children who have a sibling attending the infant school in Reception or years 1 and 2, or years 3 to 5 at the junior school for which the infant school is a named feeder school.

Criterion (iv) – Places will next be given to those children who live closest to the school. The distance from the child’s home to the school will be measured and priority will be given to those living nearest to the school.

If the measurement of the distance from home to school above does not distinguish between two or more applicants with equal priority, random allocation will be used as the final tie-breaker, and independently verified according to the Council’s protocol on random allocation.

Where distance from the child's home to school has to be measured, the admission authority, or another body acting on their behalf, uses a computer GIS mapping system using Ordnance Survey information, to measure the distance and adopts the address points for the child's home and the school as recorded on the Local Land & Property Gazetteer, (LLPG). The actual distance measured is a straight line from the LLPG recorded address point for the child’s home to the LLPG recorded address point for the school.

If a school has a split site, the distance will be measured to the LLPG address point for the school site which is appropriate for the child's year group. The distance will be measured on the School Admissions Team’s computerised GIS mapping system using Ordnance Survey information.

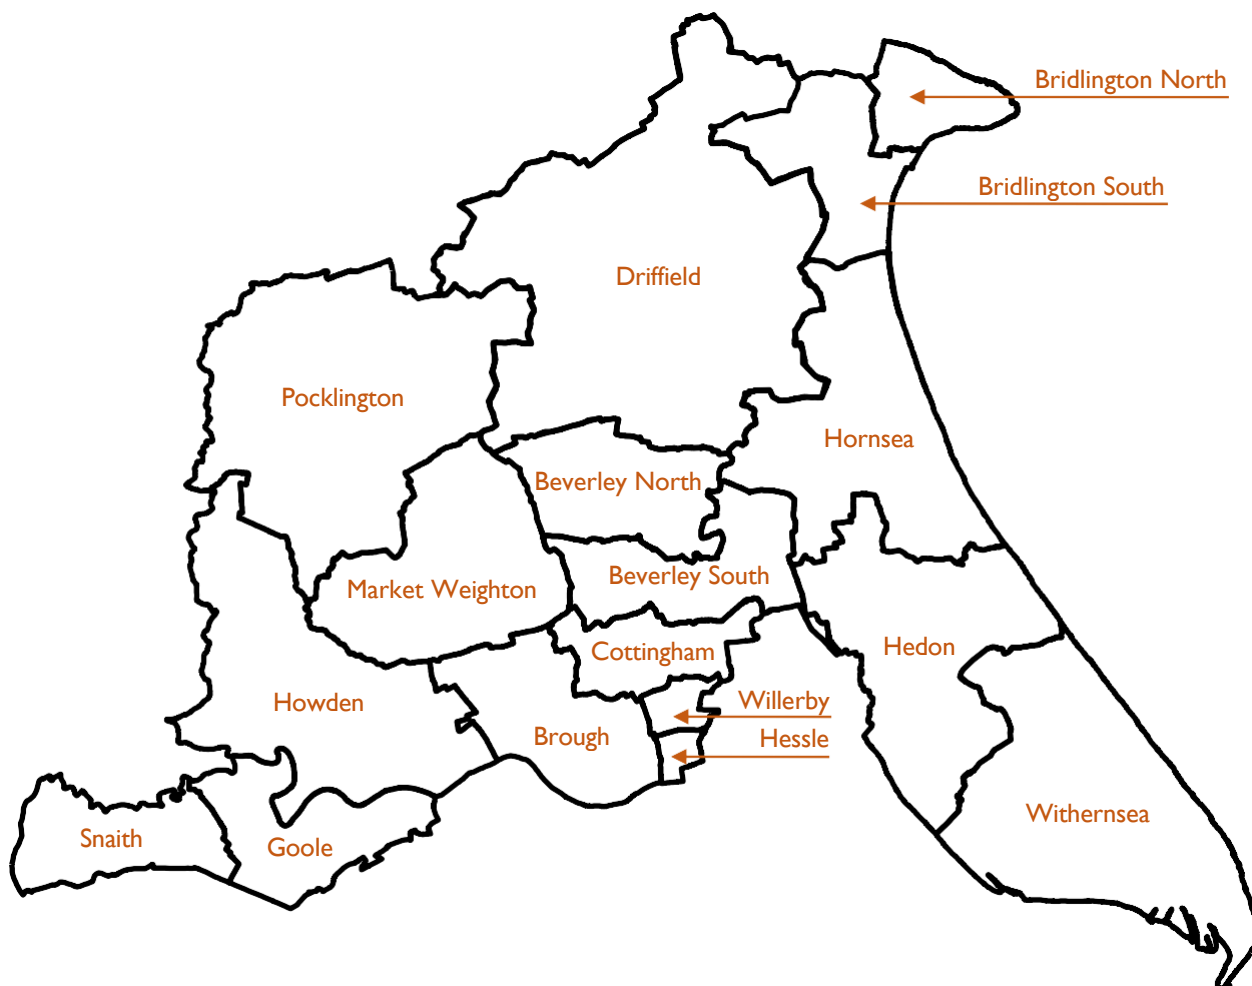

School location map

This map shows the East Riding split into seventeen areas, named here by the principal town within each area. Two towns – Beverley and Bridlington are split further into areas to the north and south of each town.

These areas also correspond to the catchment areas of the secondary schools across the county.

To view information about primary or infant schools in any of these areas - [select the name of each area in the map below](#).

You can find more details about catchment areas and [online maps here](#) or visit www.eastriding.gov.uk.

Primary and infant school admissions information for September 2025

information about each primary and infant school in the East Riding

For each of the state-funded primary and infant schools in the East Riding, the information provided on the following pages should enable you to access contact information as well as data about admissions into the school in recent years.

Key information for you to note is **what the published admission number is for the school for September 2025**, the school catchment area (though you should always check [online catchment maps](#) and check individual addresses with us if you are unsure), and what oversubscription criteria the school will use. For most primary and infant schools the criteria used is the standard criteria outlined in the previous section of this guide. For the following schools the oversubscription criteria is slightly different:

- [Airmyn Park Primary School](#)
- [Barmby Moor CE Primary School](#)
- [Beverley St Nicholas Community Primary School](#)
- [Bilton Community Primary School](#)
- [Croxby Primary School](#)
- [Dunswell Academy](#)
- [Gilberdyke Primary School](#)
- [Hook CE Primary School](#)
- [Howden CE Infant School](#)
- [Hunsley Primary School](#)
- [Keyingham Primary School](#)
- [Melbourne Community Primary School](#)
- [North Cave CE Primary School](#)
- [Our Lady and St Peter Catholic Primary School](#)
- [Penshurst Primary School](#)
- [Pollington-Balne CE Primary School](#)
- [St John of Beverley Catholic Primary School](#)
- [St Joseph's Catholic Primary School](#)
- [St Martin's CE Primary School, Fangfoss](#)
- [St Mary and St Joseph Catholic Primary School](#)
- [St Mary's Catholic Primary School](#)
- [Stamford Bridge Primary School](#)
- [Swanland Primary School](#)
- [Warter CE Primary School](#)
- [Wilberfoss CE Primary School](#)
- [Withernsea Primary School](#)

Where a school's oversubscription criteria does not define a specific term used and the same term is used in the standard oversubscription criteria, the definition is likely to be the same as that set out for 'standard criteria' schools but you may wish to check the full admissions policy for the school concerned.

More information about each school is available from the school itself, including information about the school's ethos and values and the school's approach to things such as teaching and learning, special educational needs, supporting vulnerable children, including looked after children, and managing pupil behaviour.

Admissions Data

Finally we include some basic data on admissions into the school in the past three years. We include this information **only as an indication of demand in previous years**. How many preferences each school will receive for 2025 is unknown until after the deadline for applications, and the number and location of preferences can vary significantly from year to year for different schools. This variation in the number of preferences can often be seen more markedly in more rural areas and in smaller schools.

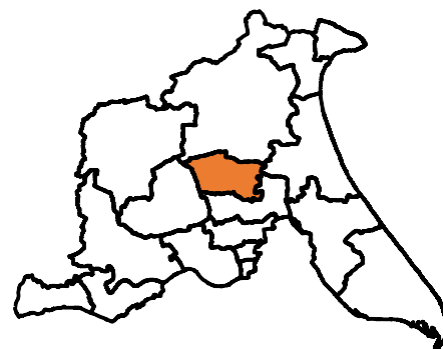

One indicator of whether a school is likely to be full for September 2025, is whether the number of first preferences in past years was higher or lower than the published admission number. If a school has received more first preferences than its published admission number in past years, particularly in multiple years, there is every chance it will be full again.

There are many factors which can affect the number of people who apply for a place at a particular school, both current and historical; families may move addresses around the time of their children starting school; and parents may prefer their children to attend schools outside their immediate area for any number of other factors. Because of this please note that **any data provided here should only be used as a guide and we advise you don't use it to influence your preferences**.

We recommend individual addresses are checked, particularly in areas close to the catchment area boundaries, before making an application for a school place. If you would like to check a catchment area for a specific address please email schooladmissions@eastriding.gov.uk

As the level of demand for any school for September 2025 will not be known until after the deadline for applications, applicants are advised to ensure that when making an application, if a school is not their catchment school, then the catchment school should also be considered as a preference.

Oversubscription criteria

For this school the Council **has been informed that different criteria will be used**, that are either in a different order or with different definitions from the '[standard criteria](#)' on pages 19-20. Some of these criteria or definitions may look similar to the standard criteria or definitions and the advice earlier in this guide. Because of this you may wish to consult the full admission arrangements for any details that are not provided here.

Should the school receive more preferences for places than places available, the following 'oversubscription criteria' will be used to order preferences, and those ranked at the top of this list will be allocated places, up to and including the PAN. Those ranked lower will be refused places and added to a waiting list that will be held until the end of the last day of the summer term in July 2026.

The definition of Catholic is children who have been baptised as Catholics or have been formally received into the Catholic Church. All applicants seeking admission under any of criteria (i) to (iii) will be asked to provide evidence that the child has been baptised as a Catholic or has been received into the Catholic Church. A baptismal certificate or a letter from their priest confirming their baptism or reception into the Catholic Church will suffice.

Criterion (i) – Catholic children ‘looked after’ (in public care) and Catholic children previously ‘looked after’, including children who were previously looked after outside England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order immediately following having been looked after.

A looked after child is a child who is in the care of a local authority or is provided with accommodation by that authority (see section 22 of the Children Act 1989). Any application submitted for a child who is looked after by a local authority should be supported by the authority’s Children’s Services Department. An ‘adopted child’ is a child adopted under the Adoption and Children Act 2002 or Adoption Act 1976. A ‘child arrangements order’ is an order made under the terms of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Criterion (ii) – Other Catholic children.

Criterion (iii) – Other children ‘looked after’ (in public care) and Catholic children previously ‘looked after’, including children who were previously looked after outside England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order immediately following having been looked after.

A looked after child is a child who is in the care of a local authority or is provided with accommodation by that authority (see section 22 of the Children Act 1989). Any application submitted for a child who is looked after by a local authority should be supported by the authority’s Children’s Services Department. An ‘adopted child’ is a child adopted under the Adoption and Children Act 2002 or Adoption Act 1976. A ‘child arrangements order’ is an order made under the terms of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Criterion (iv) – Catechumens and members of an Eastern Christian Church. Catechumen’ means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens. Eastern Christian Church’ includes Orthodox Churches and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

Criterion (v) – Children who have siblings in attendance at the school on the date of admission.

Criterion (vi) – Children of staff. Children/child with a parent or carer who has been a permanent member of staff (teaching or support) within the academy for 2 years or more at the time at which the application is made. Children with a parent or carer who was recruited to fill a vacant post for which there is a demonstrable skills shortage. This does not include staff who work on the school site for other employers.

Criterion (vii) – Children of other Christian denominations whose membership is evidenced by a minister of religion.

Criterion (viii) - Children of other faiths whose membership is evidenced by a minister of religion or another religious leader.

Criterion (ix) – Any other children.

Priority will be decided on the basis of the distance from the home to the school.

Admissions data in recent years

Whilst each year differs in terms of the numbers of preferences a school receives, the number of eligible pupils in the catchment area, and the sum of all parent/carer preferences and applications, the following information may be useful to parent/carers. All information in the table is correct as of the relevant 'National Offer Day' and includes data on all on-time applications, and is subject to change with late applications and changes of preference after National Offer Day.

Headteacher [Ms T Turton](#)

Type of school [Academy](#)

Published Admission Number for September 2025 [60](#)

Oversubscription criteria used [School specific \(see below\)](#)

Oversubscription criteria

For this school the Council **has been informed that different criteria will be used**, that are either in a different order or with different definitions from the [‘standard criteria’ on pages 19-20](#). Some of these criteria or definitions [East Riding Guide for Parents/2025-26/Primary](#)

may look similar to the standard criteria or definitions and the advice earlier in this guide. Because of this you may wish to consult the full admission arrangements for any details that are not provided here.

Should the school receive more preferences for places than places available, the following ‘oversubscription criteria’ will be used to order preferences, and those ranked at the top of this list will be allocated places, up to an including the PAN. Those ranked lower will be refused places and added to a waiting list that will be held until the end of the last day of the summer term in July 2026.

Criterion (i) – Places will be first be allocated to children who are looked after by a local authority and to children who were previously looked after, including children who were previously looked after outside England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order.

A looked after child is a child who is in the care of a local authority or is provided with accommodation by that authority (see section 22 of the Children Act 1989). Any application submitted for a child who is looked after by a local authority should be supported by the authority’s Children’s Services Department. An ‘adopted child’ is a child adopted under the Adoption and Children Act 2002 or Adoption Act 1976. A ‘child arrangements order’ is an order made under the terms of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Criterion (ii) – Places will next be allocated to children who live in the school’s designated catchment area.

Information about catchment areas can be obtained from the School Admissions Team or from the school. The child concerned must be resident in the catchment area by 26 February 2025 to qualify under this criterion in the normal admissions round.

Criterion (iii) – Places will next be allocated to children who will have a sibling attending the school at the time of admission.

Criterion (iv) – Places will next be allocated to children of members of staff at the school.

The member of staff must have been employed by the school for two years or more at the time the application for admission to the school is made or have been recruited to fill a vacant post for which there is a demonstrable skill shortage.

Criterion (v) – Places will next be allocated to those children who live closest to the school. The distance from the child’s home to the school will be measured and priority will be given to those living nearest to the school.

If the measurement of the distance from home to school above does not distinguish between two or more applicants with equal priority, random allocation will be used as the final tie-breaker, and independently verified.

Oversubscription criteria used School specific (see below)

Oversubscription criteria

For this school the Council **has been informed that different criteria will be used**, that are either in a different order or with different definitions from the [‘standard criteria’ on pages 19-20](#). Some of these criteria or definitions may look similar to the standard criteria or definitions and the advice earlier in this guide.

Because of this you may wish to consult the full admission arrangements for any details that are not provided here. Should the school receive more preferences for places than places available, the following ‘oversubscription criteria’ will be used to order preferences, and those ranked at the top of this list will be allocated places, up to an including the PAN. Those ranked lower will be refused places and added to a waiting list that will be held until the end of the last day of the summer term in July 2026.

The definition of Catholic is children who have been baptised as Catholics or have been formally received into the Catholic Church. All applicants seeking admission under any of criteria (i) to (iii) will be asked to provide evidence that the child has been baptised as a Catholic or has been received into the Catholic Church. A baptismal certificate or a letter from their priest confirming their baptism or reception into the Catholic Church will suffice.

Criterion (i) – Catholic children ‘looked after’ (in public care) and Catholic children previously ‘looked after’, including children who were previously looked after outside England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order immediately following having been looked after.

A looked after child is a child who is in the care of a local authority or is provided with accommodation by that authority (see section 22 of the Children Act 1989). Any application submitted for a child who is looked after by a local authority should be supported by the authority’s Children’s Services Department. An ‘adopted child’ is a child adopted under the Adoption and Children Act 2002 or Adoption Act 1976. A ‘child arrangements order’ is an order made under the terms of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Criterion (ii) – Other Catholic children.

Criterion (iii) – Other children ‘looked after’ (in public care) and Catholic children previously ‘looked after’, including children who were previously looked after outside England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order immediately following having been looked after.

A looked after child is a child who is in the care of a local authority or is provided with accommodation by that authority (see section 22 of the Children Act 1989). Any application submitted for a child who is looked after by a local authority should be supported by the authority’s Children’s Services Department. An ‘adopted child’ is a child adopted under the Adoption and Children Act 2002 or Adoption Act 1976. A ‘child arrangements order’ is

an order made under the terms of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Criterion (iv) – Catechumens and members of an Eastern Christian Church. Catechumen’ means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens. Eastern Christian Church’ includes Orthodox Churches and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

Criterion (v) – Children who have siblings in attendance at the school on the date of admission.

Criterion (vi) – Children of staff. children / child with a parent or carer who has been a permanent member of staff (teaching or support) within the academy for 2 years or more at the time at which the application is made. Children with a parent or carer who was recruited to fill a vacant post for which there is a demonstrable skills shortage. This does not include staff who work on the school site for other employers.

Criterion (vii) – Children of other Christian denominations whose membership is evidenced by a minister of religion.

Criterion (viii) - Children of other faiths whose membership is evidenced by a minister of religion or another religious leader.

Criterion (ix) – Any other children.

Priority will be decided on the basis of the distance from the home to the school.

Oversubscription criteria used School specific (see below)

Oversubscription criteria

For this school the Council **has been informed that different criteria will be used**, that are either in a different order or with different definitions from the [‘standard criteria’ on pages 19-20](#). Some of these criteria or definitions may look similar to the standard criteria or definitions and the advice earlier in this guide. Because of this you may wish to consult the full admission arrangements for any details that are not provided here.

If there are more applications than places available we will apply the oversubscription criteria listed below. The oversubscription criteria are listed in the order we apply them. If it is necessary to distinguish between more than one applicant in any criteria, the next criteria will be applied until the tie-breaker is used.

Any child refused a place at the school will automatically be put on the waiting list unless a higher preference school has been offered. A waiting list will be maintained until 31 December after which it will be cleared. If you would like your child to be placed on the waiting list for the following academic year please contact the school.

Criterion (i) – Looked after children and all previously looked after children. Previously looked after children are children who were looked after including those children who appear (to the Trust as the admission authority) to have been in state care outside of England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order.

A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders). Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Criterion (ii) – Children living within the school's designated catchment area.

Information about catchment areas can be obtained from the School Admissions Team or from the school.

Criterion (iii) – A child with a sibling on roll at the time of admission.

Siblings include a brother or sister who share the same parents; a half-brother, half-sister or legally adopted child living at the same address; a child looked after by a local authority placed in a foster family with other school age children; a stepchild or children who are not related but live as a family unit, where parents both live at the same address as the child.

Criterion (iv) – The distance from the child’s permanent home address to the school.

Priority will be given to the child living nearest the school. Distances are measured using the post office address point of the home to the post office address point of the main school and using East Riding of Yorkshire’s computerised distance measuring software.

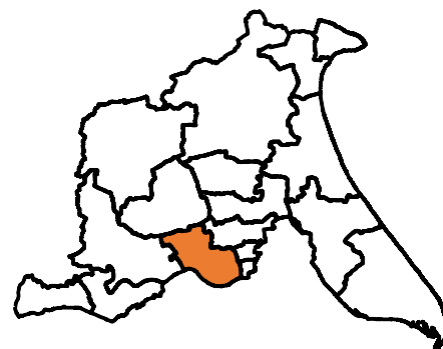

Where there are two or more applications that cannot otherwise be separated, a randomiser will be used to decide who is allocated a place. This process will be supervised by somebody independent of the school.

Oversubscription criteria used School specific (see below)

Oversubscription criteria

For this school the Council **has been informed that different criteria will be used**, that are either in a different order or with different definitions from the '[standard criteria](#)' on pages 19-20. Some of these criteria or definitions may look similar to the standard criteria or definitions and the advice earlier in this guide. Because of this you may wish to consult the full admission arrangements for any details that are not provided here.

Should the school receive more preferences for places than places available, the following 'oversubscription criteria' will be used to order preferences, and those ranked at the top of this list will be allocated places, up to an including the PAN. Those ranked lower will be refused places and added to a waiting list that will be held until the end of the last day of the summer term in July 2026.

Criterion (i) – Places will first be allocated to children who are looked after by a local authority and to children who were previously looked after, including children who were previously looked after outside England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order.

A looked after child is a child who is in the care of a local authority or is provided with accommodation by that authority (see section 22 of the Children Act 1989). Any application submitted for a child who is looked after by a local authority should be supported by the authority's Children's Services Department. An 'adopted child' is a child adopted under the Adoption and Children Act 2002 or Adoption Act 1976. A 'child arrangements order' is an order made under the terms of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Criterion (ii) - Places will next be allocated to children who live in the school's designated catchment area.

Information about catchment areas can be obtained from the School Admissions Team or from the school. The child concerned must be resident in the catchment area by 26 February 2025 to qualify under this criterion in the normal primary admissions round.

Criterion (iii) - Places will next be allocated to children who will have a sibling attending the school at the time of admission.

Criterion (iv) – Places will next be allocated to children of members of staff of the school.

The member of staff must have been employed by the school for two years or more at the time the application for admission to the school is made or have been recruited to fill a vacant post for which there is a demonstrable skill shortage.

Criterion (vi) - Places will next be allocated to those children who live closest to the school. The distance from the child's home to the school will be measured and priority will be given to those living nearest to the school.

If the measurement of the distance from home to school above does not distinguish between two or more applicants with equal priority, random allocation will be used as the final tie-breaker, and independently verified.

Headteacher Mrs K Mason

Type of school Academy

Published Admission Number for September 2025 60

Oversubscription criteria used [School specific \(see below\)](#)

Oversubscription criteria

For this school the Council **has been informed that different criteria will be used**, that are either in a different order or with different definitions from the [‘standard criteria’ on pages 19-20](#). Some of these criteria or definitions may look similar to the standard criteria or definitions and the advice earlier in this guide. Because of this you may wish to consult the full admission arrangements for any details that are not provided here.

Should the school receive more preferences for places than places available, the following ‘oversubscription criteria’ will be used to order preferences, and those ranked at the top of this list will be allocated places, up to an including the PAN. Those ranked lower will be refused places and added to a waiting list that will be held until the end of the last day of the summer term in July 2026.

Criterion (i) – Places will be first be allocated to children who are looked after by a local authority and to children who were previously looked after, including children who were previously looked after outside England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order.

A looked after child is a child who is in the care of a local authority or is provided with accommodation by that authority (see section 22 of the Children Act 1989). Any application submitted for a child who is looked after by a local authority should be supported by the authority’s Children’s Services Department. An ‘adopted child’ is a child adopted under the Adoption and Children Act 2002 or Adoption Act 1976. A ‘child arrangements order’ is an order made under the terms of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Criterion (ii) – Places will next be allocated to children who live in the school’s designated catchment area.

Information about catchment areas can be obtained from the School Admissions Team or from the school. The child concerned must be resident in the catchment area by 26 February 2025 to qualify under this criterion in the normal admissions round.

Criterion (iii) – Places will next be allocated to children who will have a sibling attending the school at the time of admission.

Criterion (iv) – Places will next be allocated to children of members of staff at the school.

The member of staff must have been employed by the school for two years or more at the time the application for admission to the school is made or have been recruited to fill a vacant post for which there is a demonstrable skill shortage.

Criterion (v) – Places will next be allocated to those children who live closest to the school. The distance from the child’s home to the school will be measured and priority will be given to those living nearest to the school.

If the measurement of the distance from home to school above does not distinguish between two or more applicants with equal priority, random allocation will be used as the final tie-breaker, and independently verified.

Admissions data in recent years

Whilst each year differs in terms of the numbers of preferences a school receives, the number of eligible pupils in the catchment area, and the sum of all parent/carer preferences and applications, the following information may be useful to parent/carers. All information in the table is correct as of the relevant ‘National Offer Day’ and includes data on all on-time applications, and is subject to change with late applications and changes of preference after National Offer Day.

Type of school Academy

Published Admission Number for September 2025 16

Oversubscription criteria used School specific (see below)

Oversubscription criteria

For this school the Council **has been informed that different criteria will be used**, that are either in a different order or with different definitions from the '[standard criteria](#)' on pages 19-20. Some of these criteria or definitions may look similar to the standard criteria or definitions and the advice earlier in this guide. Because of this you may wish to consult the full admission arrangements for any details that are not provided here.

Should the school receive more preferences for places than places available, the following 'oversubscription criteria' will be used to order preferences, and those ranked at the top of this list will be allocated places, up to an including the PAN. Those ranked lower will be refused places and added to a waiting list that will be held until the end of the last day of the summer term in July 2026.

Criterion (i) – Places will first be allocated to children who are looked after by a local authority and to children who were previously looked after, including children who were previously looked after outside England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order.

A looked after child is a child who is in the care of a local authority or is provided with accommodation by that authority (see section 22 of the Children Act 1989). Any application submitted for a child who is looked after by a local authority should be supported by the authority's Children's Services Department. An 'adopted child' is a child adopted under the Adoption and Children Act 2002 or Adoption Act 1976. A 'child arrangements order' is an order made under the terms of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Criterion (ii) – Places will next be allocated to children who live in the school's designated catchment area.

Information about catchment areas can be obtained from the School Admissions Team or from the school. The child concerned must be resident in the catchment area by 26 February 2025 to qualify under this criterion in the normal admissions round.

Criterion (iii) – Places will next be allocated to children who will have a sibling attending the school at the time of admission.

Criterion (iv) – Places will next be allocated to children of members of staff at the school.

The member of staff must have been employed by the school for two years or more at the time the application for admission to the school is made or have been recruited to fill a vacant post for which there is a demonstrable skill shortage.

Criterion (v) – Places will next be allocated to those children who live closest to the school. The distance from the child’s home to the school will be measured and priority will be given to those living nearest to the school.

If the measurement of the distance from home to school above does not distinguish between two or more applicants with equal priority, random allocation will be used as the final tie-breaker, and independently verified.

Type of school Academy

Published Admission Number for September 2025 30

Oversubscription criteria used [School specific \(see below\)](#)

Oversubscription criteria

For this school the Council has been informed **has been informed that different criteria will be used**, that are either in a different order or with different definitions from the **'standard criteria' on pages 19-20**. Some of these criteria or definitions may look similar to standard criteria or definitions and the advice earlier in this guide. Because of this you may wish to consult the full admissions arrangements for any details that are not provided here. Should the school receive more preferences for places than places available the following 'oversubscribed criteria' will be used to order preferences, and those ranked at the top of this list will be allocated places up to an including the PAN. Those ranked lower will be refused places and added to a waiting list that will be held for the remainder of the academic year.

Criterion (i) – All 'looked after children' or 'previously looked after children', including those from outside England.

A looked after child, or previously looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society. Such care may have been provided by orphanages or other settings.

Criterion (ii) – Those children with significant medical or social need

Significant medical or social need is defined as a need that a child has that would put them at a significant disadvantage if they did not attend at the school. This must be supported by written evidence from a doctor, social worker, educational welfare officer or other appropriate person. This evidence must demonstrate why the child must attend at the chosen school due to their need.

Criterion (iii) – Children, with a sibling who will be attending the academy at the expected time of admission.

Sibling is defined as natural brothers or sisters (children with the same natural parents who live at the same address or different address), adopted siblings, stepbrothers or sisters and foster brothers and sisters, who reside at the same address and will be attending the school at the expected time of admission.

Criterion (iv) – Children of staff based in the academy where the member of staff has been employed at the academy for 2 or more years at the time that the application is made for a place at the academy or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

Criterion (v) – Children whose parents reside within the catchment area of the academy at the time of application. Proof of residence will be required.

Residence is defined as the normal family address where the child lives. The qualification date is the closing date for applications. Where parents live at separate addresses and have joint custody, the address used will be the one where the child spends the main part of the school week.

Criterion (vi) – Geographical distance, with priority given to those living nearest to the school - will be used as a tie-breaker for other criteria if needed.

Geographical distance Where distance from the child's home to school has to be measured, the admission authority, or another body acting on their behalf, uses a computer GIS mapping system using Ordnance Survey information, to measure the distance and adopts the address points for the child's home and the school as recorded on the Local Land & Property Gazetteer, (LLPG). The actual distance measured is a straight line from the LLPG recorded address point for the child's home to the LLPG recorded address point for the school.

Headteacher Mr V Groak

Type of school Academy, through school

Published Admission Number for September 2025 60

Oversubscription criteria used [School specific \(see below\)](#)

Age range

This school is part of an ‘all through school’, which means that the same school offers places beyond Year 6 and into secondary school. If your child goes on to attend this school, you don’t need to apply for another school for them from Year 7 if you wish for them to continue to Hessle High School, though you may still apply for other secondary schools from Year 7 if you wish to.

Oversubscription criteria

For this school the Council **has been informed that different criteria will be used**, that are either in a different order or with different definitions from the [‘standard criteria’ on pages 19-20](#). Some of these criteria or definitions may look similar to the standard criteria or definitions and the advice earlier in this guide. Because of this you may wish to consult the full admission arrangements for any details that are not provided here.

Should the school receive more preferences for places than places available, the following ‘oversubscription criteria’ will be used to order preferences, and those ranked at the top of this list will be allocated places, up to an including the PAN. Those ranked lower will be refused places and added to a waiting list that will be held until the end of the last day of the summer term in July 2026.

Criterion (i) – Places will be first be allocated to children who are looked after by a local authority and to children who were previously looked after, including children who were previously looked after outside England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order.

A looked after child is a child who is in the care of a local authority or is provided with accommodation by that authority (see section 22 of the Children Act 1989). Any application submitted for a child who is looked after by a local authority should be supported by the authority’s Children’s Services Department. An ‘adopted child’ is a child adopted under the Adoption and Children Act 2002 or Adoption Act 1976. A ‘child arrangements order’ is an order made under the terms of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Criterion (ii) – Places will next be allocated to children who live in the school’s designated catchment area.

Information about catchment areas can be obtained from the School Admissions Team or from the school. The child concerned must be resident in the catchment area by 26 February 2025 to qualify under this criterion in the normal admissions round.

Criterion (iii) – Places will next be allocated to children who will have a sibling attending the school at the time of admission. For Penshurst Primary School this will be extended to include children who will have a sibling attending Hessle High School (as part of The Hessle Academy) in Years 7-11 at the time of admission.

Criterion (iv) – Places will next be allocated to children of members of staff at the school.

The member of staff must have been employed by the school for two years or more at the time the application for admission to the school is made or have been recruited to fill a vacant post for which there is a demonstrable skill shortage.

Criterion (v) – Places will next be allocated to those children who live closest to the school. The distance from the child’s home to the school will be measured and priority will be given to those living nearest to the school.

If the measurement of the distance from home to school above does not distinguish between two or more applicants with equal priority, random allocation will be used as the final tie-breaker, and independently verified.

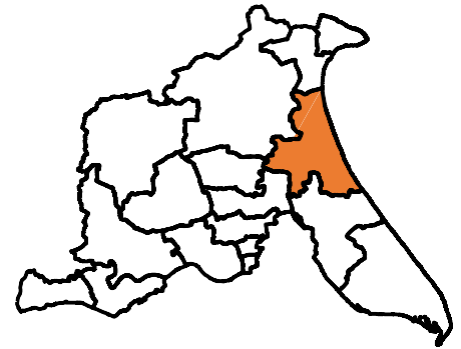

Admissions data in recent years

Oversubscription criteria used [School specific \(see below\)](#)

Oversubscription criteria

For this school the Council **has been informed that different criteria will be used**, that are either in a different order or with different definitions from the [‘standard criteria’ on pages 19-20](#). Some of these criteria or definitions may look similar to the standard criteria or definitions and the advice earlier in this guide. Because of this you may wish to consult the full admission arrangements for any details that are not provided here.

Should the school receive more preferences for places than places available, the following ‘oversubscription criteria’ will be used to order preferences, and those ranked at the top of this list will be allocated places, up to an including the PAN. Those ranked lower will be refused places and added to a waiting list that will be held until 31 December 2025.

Criterion (i) – Children in public care at the time when preferences are expressed and who are still in public care at the time of their admission to school, and those who have been previously looked after, including children who were previously looked after outside England.

Criterion (ii) – Children having a brother or sister who will be attending the school at the expected time of admission and resident in the catchment area of the school.

Criterion (iii) – Children having a brother or sister who will be attending the school at the expected time of admission but not a resident in the catchment area of the school.

Criterion (iv) – Children having attended a HCAT Primary School nursery (Foundation One) for at least the three terms prior to admission into the reception class (Foundation Two).

Criterion (v) – Children resident in the catchment area of the school, but not having a brother or sister who will be attending the school at the expected time of admission.

Criterion (vi) – Children of members of staff at the school.

Criterion (vii) – Children who live closest to the school.

Priority will be decided on the basis of the distance from the home to the school.

Headteacher Mr L Quinn-Hill

Type of school Academy

Published Admission Number for September 2025 60

Oversubscription criteria used School specific (see below)

Age range

This school is an infant school so only offers places up to and including Year 2. If your child goes on to attend this school, you must apply for another school for them from Year 3.

Oversubscription criteria

For this school the Council **has been informed that different criteria will be used**, that are either in a different order or with different definitions from the '[standard criteria](#)' on pages 19-20. Some of these criteria or definitions may look similar to the standard criteria or definitions and the advice earlier in this guide. Because of this you may wish to consult the full admission arrangements for any details that are not provided here.

Should the school receive more preferences for places than places available, the following 'oversubscription criteria' will be used to order preferences, and those ranked at the top of this list will be allocated places, up to an including the PAN. Those ranked lower will be refused places and added to a waiting list that will be held until the end of the last day of the summer term in July 2026.

Criterion (i) – Places will first be allocated to children who are looked after by a local authority and to children who were previously looked after, including children who were previously looked after outside England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order.

A looked after child is a child who is in the care of a local authority or is provided with accommodation by that authority (see section 22 of the Children Act 1989). Any application submitted for a child who is looked after by a local authority should be supported by the authority's Children's Services Department. An 'adopted child' is a child adopted under the Adoption and Children Act 2002 or Adoption Act 1976. A 'child arrangements order' is an order made under the terms of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Criterion (ii) - Places will next be allocated to children who live in the school's designated catchment area.

Information about catchment areas can be obtained from the School Admissions Team or from the school. The child concerned must be resident in the catchment area by 26 February 2025 to qualify under this criterion in the normal primary admissions round.

Criterion (iii) - Places will next be allocated to children who will have a sibling attending the school at the time of admission; or the linked Junior school at the time of admission.

Criterion (iv) – Places will next be allocated to children of members of staff of the school.

The member of staff must have been employed by the school for two years or more at the time the application for admission to the school is made or have been recruited to fill a vacant post for which there is a demonstrable skill shortage.

Criterion (v) - Places will next be allocated to those children who live closest to the school. The distance from the child’s home to the school will be measured and priority will be given to those living nearest to the school.

If the measurement of the distance from home to school above does not distinguish between two or more applicants with equal priority, random allocation will be used as the final tie-breaker, and independently verified.

If there are more applications within any given criterion than there are remaining places available, the Governing Body will give priority to those who satisfy the requirements for the criterion and who at the proposed date of admission will have a sibling: on roll in Reception, Year 1 or Years 2 at school; and/or on roll in Years 3 – 6 at Howden Junior school.

Admissions data in recent years

Whilst each year differs in terms of the numbers of preferences a school receives, the number of eligible pupils in the catchment area, and the sum of all parent/carer preferences and applications, the following information may be useful to parent/carers. All information in the table is correct as of the relevant ‘National Offer Day’ and includes data on all on-time applications, and is subject to change with late applications and changes of preference after National Offer Day.

Oversubscription criteria used School specific (see below)

Oversubscription criteria

For this school the Council **has been informed that different criteria will be used**, that are either in a different order or with different definitions from the [‘standard criteria’ on pages 19-20](#). Some of these criteria or definitions may look similar to the standard criteria or definitions and the advice earlier in this guide. Because of this you may wish to consult the full admission arrangements for any details that are not provided here.

Should the school receive more preferences for places than places available, the following ‘oversubscription criteria’ will be used to order preferences, and those ranked at the top of this list will be allocated places, up to an including the PAN. Those ranked lower will be refused places and added to a waiting list that will be held until the end of the last day of the summer term in July 2026.

The definition of Catholic is children who have been baptised as Catholics or have been formally received into the Catholic Church. All applicants seeking admission under any of criteria (i) to (iii) will be asked to provide evidence that the child has been baptised as a Catholic or has been received into the Catholic Church. A baptismal certificate or a letter from their priest confirming their baptism or reception into the Catholic Church will suffice.

Criterion (i) – Catholic children ‘looked after’ (in public care) and Catholic children previously ‘looked after’, including children who were previously looked after outside England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order immediately following having been looked after.

A looked after child is a child who is in the care of a local authority or is provided with accommodation by that authority (see section 22 of the Children Act 1989). Any application submitted for a child who is looked after by a local authority should be supported by the authority’s Children’s Services Department. An ‘adopted child’ is a child adopted under the Adoption and Children Act 2002 or Adoption Act 1976. A ‘child arrangements order’ is an order made under the terms of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Criterion (ii) – Other Catholic children.

Criterion (iii) – Other children ‘looked after’ (in public care) and Catholic children previously ‘looked after’, including children who were previously looked after outside England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order immediately following having been looked after.

A looked after child is a child who is in the care of a local authority or is provided with accommodation by that authority (see section 22 of the Children Act 1989). Any application submitted for a child who is looked after by a local authority should be supported by the authority’s Children’s Services Department. An ‘adopted child’ is a child adopted under the Adoption and Children Act 2002 or Adoption Act 1976. A ‘child arrangements order’ is an order made under the terms of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Criterion (iv) – Catechumens and members of an Eastern Christian Church. Catechumen’ means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens. Eastern Christian Church’ includes Orthodox Churches and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

Criterion (v) – Children who have siblings in attendance at the school on the date of admission.

Criterion (vi) – Children of staff. children / child with a parent or carer who has been a permanent member of staff (teaching or support) within the academy for 2 years or more at the time at which the application is made. Children with a parent or carer who was recruited to fill a vacant post for which there is a demonstrable skills shortage. This does not include staff who work on the school site for other employers.

Criterion (vii) – Children of other Christian denominations whose membership is evidenced by a minister of religion.

Criterion (viii) - Children of other faiths whose membership is evidenced by a minister of religion or another religious leader.

Criterion (ix) – Any other children.

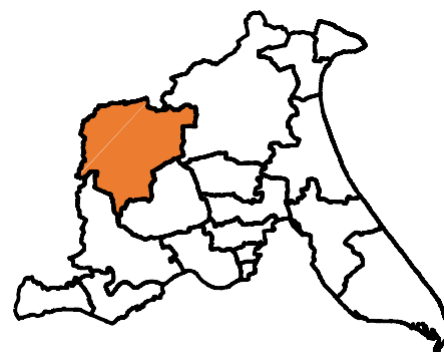

Priority will be decided on the basis of the distance from the home to the school.

Admissions data in recent years

Oversubscription criteria

For this school the Council **has been informed that different criteria will be used**, that are either in a different order or with different definitions from the [‘standard criteria’ on pages 19-20](#). Some of these criteria or definitions may look similar to the standard criteria or definitions and the advice earlier in this guide. Because of this you may wish to consult the full admission arrangements for any details that are not provided here.

Should the school receive more preferences for places than places available, the following ‘oversubscription criteria’ will be used to order preferences, and those ranked at the top of this list will be allocated places, up to an including the PAN. Those ranked lower will be refused places and added to a waiting list that will be held until the end of the last day of the summer term in July 2026.

Criterion (i) – Children who are looked after by a local authority and to children who were previously looked after, including children who were previously looked after outside England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order.

A looked after child is a child who is in the care of a local authority or is provided with accommodation by that authority (see section 22 of the Children Act 1989). Any application submitted for a child who is looked after by a local authority should be supported by the authority’s Children’s Services Department. An ‘adopted child’ is a child adopted under the Adoption and Children Act 2002 or Adoption Act 1976. A ‘child arrangements order’ is an order made under the terms of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Criterion (ii) – Children who live in the school’s designated catchment area.

Information about catchment areas can be obtained from the School Admissions Team or from the school. The child concerned must be resident in the catchment area by 26 February 2025 to qualify under this criterion in the normal admissions round.

Criterion (iii) – Children with exceptional social or medical needs which make the school the most suitable school for the child.

To be given priority on this basis, the Governing Body would have to be satisfied that the child’s medical or social needs were such that the school would be the most suitable school for the child. In order to be eligible for consideration under this criterion, you will need to submit a completed Supplementary Information Form. The Supplementary Information Form will need to be accompanied by professional supporting evidence, in writing, from a doctor, specialist, health professional, social worker or other appropriate professional (as appropriate) setting out: the relevant needs, how those needs would affect the child’s education or ability to get to school; and the particular reasons why the school would be the most suitable for the child as a result e.g. the difficulties that would be caused if the child had to attend another setting. The Governing Body may liaise any third parties as they may deem appropriate in making their assessment and may seek the advice of any relevant Local Authority Panel in reaching its decision.

Criterion (iv) – Children living outside the Catchment Area who regularly and frequently worship, or whose parent(s)/carer(s) regularly and frequently worship, at a Christian place of worship.

To be eligible under this criterion, the applicant must be able to demonstrate the required frequency of worship by the child or at least one parent/carers. The minimum level of worship will be attendance at worship at least once a month for the two years immediately prior to the date of application. The worship must be at a regular public service at a Christian place of worship.

Criterion (v) – Other children.

Priority will be decided on the basis of the distance from the home to the school.

If there are more applications within any given criterion than there are remaining places available, the Governing Body will give priority to those who satisfy the requirements for the criterion and who at the proposed date of admission will have a sibling: on roll in Reception, or Years 1-6.

Headteacher **Ms J Robinson**

Type of school **Voluntary Aided**

Published Admission Number for September 2025 **15**

Oversubscription criteria used **School specific (see below)**

Oversubscription criteria

For this school the Council **has been informed that different criteria will be used**, that are either in a different order or with different definitions from the [‘standard criteria’ on pages 19-20](#). Some of these criteria or definitions may look similar to the standard criteria or definitions and the advice earlier in this guide. Because of this you may wish to consult the full admission arrangements for any details that are not provided here.

Should the school receive more preferences for places than places available, the following ‘oversubscription criteria’ will be used to order preferences, and those ranked at the top of this list will be allocated places, up to an including the PAN. Those ranked lower will be refused places and added to a waiting list that will be held until the end of the last day of the summer term in July 2026.

Criterion (i) – Children who are looked after by a local authority and to children who were previously looked after, including children who were previously looked after outside England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order.

A looked after child is a child who is in the care of a local authority or is provided with accommodation by that authority (see section 22 of the Children Act 1989). Any application submitted for a child who is looked after by a local authority should be supported by the authority’s Children’s Services Department. An ‘adopted child’ is a child adopted under the Adoption and Children Act 2002 or Adoption Act 1976. A ‘child arrangements order’ is an order made under the terms of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Criterion (ii) – Children with exceptional social or medical needs which make the school the most suitable school for the child.

To be given priority on this basis, the Governing Body would have to be satisfied that the child’s medical or social needs were such that the school would be the most suitable school for the child. In order to be eligible for consideration under this criterion, you will need to submit a completed Supplementary Information Form. The Supplementary Information Form will need to be accompanied by professional supporting evidence, in writing, from a doctor, specialist, health professional, social worker or other appropriate professional (as appropriate) setting out: the relevant needs, how those needs would affect the child’s education or ability to get to school; and the particular reasons why the school would be the most suitable for the child as a result e.g. the difficulties that would be caused if the child had to attend another setting. The Governing Body may liaise any third parties as they may deem appropriate in making their assessment and may seek the advice of any relevant Local Authority Panel in reaching its decision.

Criterion (iii) – Children who live in the school’s designated catchment area.

Information about catchment areas can be obtained from the School Admissions Team or from the school. The child concerned must be resident in the catchment area by 26 February 2025 to qualify under this criterion in the normal admissions round.

Criterion (iv) – Children living outside the Catchment Area who regularly and frequently worship, or whose parent(s)/carer(s) regularly and frequently worship, at a Christian place of worship

To be eligible under this criterion, the applicant must be able to demonstrate the required frequency of worship by the child or at least one parent/carers. The minimum level of worship will be attendance at worship at least once a month for the twelve months immediately prior to the date of application. The worship must be at a regular public service at a Christian place of worship.

Criterion (v) – Children of staff employed at least two years prior to the closing date for applications, and/or have been recruited to fill a vacant post at the school for which there is a demonstrable skills shortage.

This applies to all staff, full and part time, who are employed by the governing body at the school. In order to be eligible for consideration under this criterion, you should submit a completed Supplementary Information Form.

Criterion (vi) – Other children.

Priority will be decided on the basis of the distance from the home to the school.

If there are more applications within any given criterion than there are remaining places available, the Governing Body will give priority to those who satisfy the requirements for the criterion and who at the proposed date of admission will have a sibling: on roll in Reception, or Years 1-6.

Admissions data in recent years

Whilst each year differs in terms of the numbers of preferences a school receives, the number of eligible pupils in the catchment area, and the sum of all parent/carers preferences and applications, the following information may be useful to parent/carers. All information in the table is correct as of the relevant 'National Offer Day' and includes data on all on-time applications, and is subject to change with late applications and changes of preference after National Offer Day.

Headteacher **Mrs J Sutherland**

Type of school **Academy**

Published Admission Number for September 2025 **15**

Oversubscription criteria used **School specific (see below)**

Oversubscription criteria

For this school the Council **has been informed that different criteria will be used**, that are either in a different order or with different definitions from the [‘standard criteria’ on pages 19-20](#). Some of these criteria or definitions may look similar to the standard criteria or definitions and the advice earlier in this guide. Because of this you may wish to consult the full admission arrangements for any details that are not provided here.

Should the school receive more preferences for places than places available, the following ‘oversubscription criteria’ will be used to order preferences, and those ranked at the top of this list will be allocated places, up to an including the PAN. Those ranked lower will be refused places and added to a waiting list that will be held until the end of the last day of the summer term in July 2026.

The definition of Catholic is children who have been baptised as Catholics or have been formally received into the Catholic Church. All applicants seeking admission under any of criteria (i) to (iii) will be asked to provide evidence that the child has been baptised as a Catholic or has been received into the Catholic Church. A baptismal certificate or a letter from their priest confirming their baptism or reception into the Catholic Church will suffice.

Criterion (i) – Catholic children ‘looked after’ (in public care) and Catholic children previously ‘looked after’, including children who were previously looked after outside England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order immediately following having been looked after.

A looked after child is a child who is in the care of a local authority or is provided with accommodation by that authority (see section 22 of the Children Act 1989). Any application submitted for a child who is looked after by a local authority should be supported by the authority’s Children’s Services Department. An ‘adopted child’ is a child adopted under the Adoption and Children Act 2002 or Adoption Act 1976. A ‘child arrangements order’ is an order made under the terms of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Criterion (ii) – Other Catholic children.

Criterion (iii) – Other children ‘looked after’ (in public care) and Catholic children previously ‘looked after’, including children who were previously looked after outside England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order immediately following having been looked after.

A looked after child is a child who is in the care of a local authority or is provided with accommodation by that authority (see section 22 of the Children Act 1989). Any application submitted for a child who is looked after by a local authority should be supported by the authority’s Children’s Services Department. An ‘adopted child’ is a child adopted under the Adoption and Children Act 2002 or Adoption Act 1976. A ‘child arrangements order’ is an order made under the terms of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Criterion (iv) – Catechumens and members of an Eastern Christian Church.

Catechumen’ means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens. Eastern Christian Church’ includes Orthodox Churches and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

Criterion (v) – Children who have siblings in attendance at the school on the date of admission.

Criterion (vi) – Children of staff. children / child with a parent or carer who has been a permanent member of staff (teaching or support) within the academy for 2 years or more at the time at which the application is made. Children with a parent or carer who was recruited to fill a vacant post for which there is a demonstrable

skills shortage. This does not include staff who work on the school site for other employers.

Criterion (vii) – Children of other Christian denominations whose membership is evidenced by a minister of religion.

Criterion (viii) - Children of other faiths whose membership is evidenced by a minister of religion or another religious leader.

Criterion (ix) – Any other children.

Priority will be decided on the basis of the distance from the home to the school.

Oversubscription criteria

For this school the Council **has been informed that different criteria will be used**, that are either in a different order or with different definitions from the '[standard criteria](#)' on pages 19-20. Some of these criteria or definitions may look similar to the standard criteria or definitions and the advice earlier in this guide. Because of this you may wish to consult the full admission arrangements for any details that are not provided here.

Should the school receive more preferences for places than places available, the following 'oversubscription criteria' will be used to order preferences, and those ranked at the top of this list will be allocated places, up to an

including the PAN. Those ranked lower will be refused places and added to a waiting list that will be held until the

Criterion (i) – Places will be first be allocated to children who are looked after by a local authority and to children who were previously looked after, including children who were previously looked after outside England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order.

A looked after child is a child who is in the care of a local authority or is provided with accommodation by that authority (see section 22 of the Children Act 1989). Any application submitted for a child who is looked after by a local authority should be supported by the authority’s Children’s Services Department. An ‘adopted child’ is a child adopted under the Adoption and Children Act 2002 or Adoption Act 1976. A ‘child arrangements order’ is an order made under the terms of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Criterion (ii) – Places will next be allocated to children of members of staff at the school.

The member of staff must have been employed by the school for two years or more at the time the application for admission to the school is made or have been recruited to fill a vacant post for which there is a demonstrable skill shortage.

Criterion (iii) – Places will next be allocated to children who live in the school’s designated catchment area.

Information about catchment areas can be obtained from the School Admissions Team or from the school. The child concerned must be resident in the catchment area by 26 February 2025 to qualify under this criterion in the normal admissions round.

Criterion (iv) – Places will next be allocated to children who will have a sibling attending the school at the time of admission.

Criterion (v) – Places will next be allocated to those children who live closest to the school. The distance from the child’s home to the school will be measured and priority will be given to those living nearest to the school.

If the measurement of the distance from home to school above does not distinguish between two or more applicants with equal priority, random allocation will be used as the final tie-breaker, and independently verified.

Oversubscription criteria used [School specific \(see below\)](#)

Oversubscription criteria

For this school the Council **has been informed that different criteria will be used**, that are either in a different order or with different definitions from the [‘standard criteria’ on pages 19-20](#). Some of these criteria or definitions may look similar to the standard criteria or definitions and the advice earlier in this guide. Because of this you may wish to consult the full admission arrangements for any details that are not provided here.

Should the school receive more preferences for places than places available, the following ‘oversubscription criteria’ will be used to order preferences, and those ranked at the top of this list will be allocated places, up to an including the PAN. Those ranked lower will be refused places and added to a waiting list that will be held until the end of the last day of the summer term in July 2026.

Criterion (i) – Children who are looked after by a local authority and to children who were previously looked after but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order.

A “looked after child” is a child who at the time of making the application to school is (a) in the care of a local authority in England, or (b) being provided with accommodation by a local authority in England in exercise of their social services functions. A “previously looked after child” is a child who: (a) Was previously a looked after child in accordance with the above definition, but who immediately after being looked after was subject to an adoption, child arrangement or special guardianship order; or (b) Appears to the Governing Body (having sought advice from the Local Authority) to have been in state care outside of England and who have ceased to be in state care as a result of being adopted. A child is regarded as having been in state care in a place outside England if they were in the care of or were accommodated by a public authority, a religious organisation or any other provider of care whose sole or main purpose is to benefit society.

Criterion (ii) – Children who live in the school’s designated catchment area.

The child concerned must be resident in the area by 26 February 2025 to qualify under this criterion in the normal admissions round.

Criterion (iii) – Children who have a sibling attending the school.

The term “sibling” refers to a child who will be on roll at Warter CE Primary School when the child for whom the application is made will start and includes: brothers and sisters; half brothers and half sisters living at the same address; step brothers and step sisters living at the same address; and foster children.

Criterion (iv) – Children living outside the Catchment Area who regularly and frequently worship, or whose parent(s)/carer(s) regularly and frequently worship, at a Christian place of worship.

To be eligible under this criterion, the applicant must be able to demonstrate the required frequency of worship by the child or at least one parent/carer. The minimum level of worship will be attendance at worship at least once a month for the two years immediately prior to the date of application. The worship must be at a regular public service at a Christian place of worship.

Criterion (v) – Children who attend the Warter School Nursery.

Nursery attendance must be regular weekly for the Autumn term 2024.

Attendance must be for at least three sessions (9 hours) per week for the full three terms from September to August in the school year before the child would start Reception.

Criterion (vi) – Other children.

Priority will be decided on the basis of the distance from the home to the school.

If there are more applications within any given criterion than there are remaining places available, the Governing Body will give priority to those who satisfy the requirements for the criterion and who at the proposed date of admission will have a sibling: on roll in Reception, or Years 1-6.

Admissions data in recent years

Criterion (i) – Children who are looked after by a local authority and to children who were previously looked after, including children who were previously looked after outside England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order.

A looked after child is a child who is in the care of a local authority or is provided with accommodation by that authority (see section 22 of the Children Act 1989). Any application submitted for a child who is looked after by a local authority should be supported by the authority’s Children’s Services Department. An ‘adopted child’ is a child adopted under the Adoption and Children Act 2002 or Adoption Act 1976. A ‘child arrangements order’ is an order made under the terms of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Criterion (ii) – Children normally resident in the civil parishes of Pollington and Balne.

The child concerned must be resident in the area by 26 February 2025 to qualify under this criterion in the normal admissions round.

Criterion (iii) – Children who have a brother or sister (including half and step siblings) who will be a registered pupil of the school at the proposed date of admission.

Criterion (iv) – Children who have social or medical needs that the school is able to meet.

Parents applying must also submit a sealed letter from a medical specialist (not their G.P.) or social worker in support of their application.

Criterion (v) – Children of families in “regular attendance” at a Church of England place of worship within the parish of Great Snaith.

The Governors understand “regular attendance” to mean at least once per month for a period of at least a year. Parents applying under this category must provide a sealed letter from their Priest or Minister direct to the school separate from their application to their home local authority.

Criterion (vi) – Other children.

Priority will be decided on the basis of the distance from the home to the school.

Type of school Academy

Published Admission Number for September 2025 30

Oversubscription criteria used School specific (see below)

Oversubscription criteria

For this school the Council **has been informed that different criteria will be used**, that are either in a different order or with different definitions from the '[standard criteria](#)' on pages 19-20. Some of these criteria or definitions may look similar to the standard criteria or definitions and the advice earlier in this guide. Because of this you may wish to consult the full admission arrangements for any details that are not provided here.

Should the school receive more preferences for places than places available, the following 'oversubscription criteria' will be used to order preferences, and those ranked at the top of this list will be allocated places, up to an including the PAN. Those ranked lower will be refused places and added to a waiting list that will be held until the end of the last day of the summer term in July 2026.

Criterion (i) – Places will be first be allocated to children who are looked after by a local authority and to children who were previously looked after, including children who were previously looked after outside England, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order.

A looked after child is a child who is in the care of a local authority or is provided with accommodation by that authority (see section 22 of the Children Act 1989). Any application submitted for a child who is looked after by a local authority should be supported by the authority's Children's Services Department. An 'adopted child' is a child adopted under the Adoption and Children Act 2002 or Adoption Act 1976. A 'child arrangements order' is an order made under the terms of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Criterion (ii) – Places will next be allocated to children who live in the school’s designated catchment area.

Information about catchment areas can be obtained from the School Admissions Team or from the school. The child concerned must be resident in the catchment area by 26 February 2025 to qualify under this criterion in the normal admissions round.

Criterion (iii) – Places will next be allocated to children who will have a sibling attending the school at the time of admission.

Criterion (iv) – Places will next be allocated to children of members of staff at the school.

The member of staff must have been employed by the school for two years or more at the time the application for admission to the school is made or have been recruited to fill a vacant post for which there is a demonstrable skill shortage.

Criterion (v) – Places will next be allocated to those children who live closest to the school. The distance from the child’s home to the school will be measured and priority will be given to those living nearest to the school.

If the measurement of the distance from home to school above does not distinguish between two or more applicants with equal priority, random allocation will be used as the final tie-breaker, and independently verified.

In-year admissions

applying for school places other than for the start of Reception

In-year admissions

In-year admissions are applications for primary school places which are made for Reception after the start of the school year, outside the normal admissions round, or for admission to years 1-6. In-year admissions generally arise when a child wants to transfer between schools or when a child moves into a school's area.

Requests for a change of school in Year 6 can be incredibly disruptive to your child's education. We would recommend that if at all possible you would not request a change of school at these times, as it may significantly affect your child's education at a time of study and preparation for end of key stage tests.

We aim to deal with all applications as quickly as possible, but please note that constraints such as school holidays, and the volume of other applications at peak times can significantly delay the processing of applications.

If your request is for a school for which the Council is not the admission authority – that is for an academy or voluntary aided or foundation school, then the decision made will be by that school itself and may therefore take longer than if your request is for a community or voluntary controlled school in the East Riding.

What key information do I need to consider before applying?

The information on catchment areas and siblings in the '[key information](#)' section of this guide may also be useful before making an in-year application.

If you are not sure which is the nearest school to your proposed address, [you can view catchment area information online](#). Please note that residence in the catchment area of any school **does not guarantee** the allocation of a school place at that school.

If you have more than one child of school age, it may be more difficult to gain places for both/all children at the same school, particularly if a class or year group is oversubscribed.

You can express a **preference for up to three schools** in your application. We recommend that you include up to three local schools that your child could reasonably attend, as your higher preference schools may not have available places. Moving to an area does not mean there will automatically be a school place for your child at the closest, catchment or your most preferred school. If a school is full, no places will be allocated if a reasonable alternative may be allocated.

When an in-year preference is processed, if there are places available at the school, the applicant is normally given a place. If there are no places available at the school and the year group or classes are full, if the [Fair Access Protocol \(see page 119\)](#) does not apply, the preference for a school will be refused.

Where do I apply?

Currently, applications for in-year admissions cannot be made online. If you need to make an application for an in-year school place, you should email schooladmissions@eastriding.gov.uk or visit a [Customer Service Centre](#) to obtain the **correct application form**. If your child is 'looked after' someone with parental responsibility such as a social worker should make the application.

When should I apply?

If your child is moving school due to your relocation you may not be able to predict the date you will require a new school place in advance due to securing a new address, but we recommend that you apply for a school place

for the current school year **at least twenty school days before a place is required**. We are unable to hold or allocate places in advance of your residence at your new address, but you should apply for a school place once you know you are moving address and know your child(ren) will require one.

For families where at least one parent is a serving member of the armed forces, or a crown servant, we can allocate places upon receipt of a posting order, or in the case of service family rebase, a marching out order, using a quartering address, in advance of your move where possible. We will work with the admission authority for the preferred school to consider whether it may be possible to remove any disadvantage that may have arisen for a service child. For example, whether being a child of a serving parent has meant a school place is not now available due to relocation, when it may have been if the child had been settled at an address when places were first allocated for the preferred school.

For a place for the next school year we recommend that you **apply by no later than 31 May**.

If you want to move your child from one primary school to another one, we recommend you should first discuss the matter with your child's present school. If there are things at your child's school that you are not happy about, it might be possible to resolve the problems without moving your child to another school and disrupting your child's education. If, after discussing the matter with the school, you still want to transfer to another school, you can apply for your child to move to another school.

When could my child start a new school?

Start dates are not set by the School Admissions team, but by agreement between parents, the previous school and the new school. If your child's current school is within a reasonable distance of your address, then children commonly start at an agreed future date, for example **at the beginning of a new half term** so your child's new school can prepare adequately for their admission. Where your child's current or previous school is not within a reasonable distance, the new school will arrange to admit your child at the earliest possible date.

How do we consider in-year applications?

The Council coordinate all requests for in-year admissions, whichever schools are named as preferences. The admission authority for your preferred school(s), will consider your preference in accordance with their set admissions arrangements when we inform them of your request.

When considering your application, we will have looked for a place for your child at each of your preference schools in turn. If we are informed by the admission authority that we cannot allocate a place at your first preference school, we will then investigate the availability of places at your second preference school, and so on.

An admission authority will normally only refuse to admit a child to a school when:

- the number of pupils admitted has reached the limit set for that year group, and
- the admission of an extra pupil to the school would adversely affect the quality of education provided by the school or would lead to the resources available to the school not being used efficiently.

An admission authority may decide that the circumstances in a particular class or year group mean that the admission of an extra pupil to the school would adversely affect the quality of education provided by the school or would lead to the resources available to the school not being used efficiently.

In the event that we cannot allocate a place at any of your preferred schools, we may allocate your child a place at an alternative school if your child's current school is not within a **reasonable distance** of their home. This is often the closest school to your address with available places.

When would an in-year preference for a school be refused?

Any refusal will be because the view of the admission authority is that the admission of any further pupils to the school would **prejudice the provision of efficient education and use of resources**; that it would not be in the educational interests of your child, or the children already on roll, for an additional child to be admitted.

Sometimes it is not possible to give a child a place at a school, if the statutory limit on infant class sizes has been reached or if the child's previous school is within a reasonable travelling distance of the new house. Infant class size legislation restricts the size of classes in Reception, year 1 and year 2.

In some cases we may not be able to allocate a place at your preferred school(s), as the admission of another child may mean that the class sizes are too large in a future school year.

You can always [appeal](#) against a decision to refuse your child a school place.

Fair Access Protocol

In accordance with the requirements of the School Admissions Code, schools in the East Riding have a Fair Access Protocol. These special arrangements concern the admission of **vulnerable or hard to place children**. The Fair Access Protocol allows a school's admission number to be exceeded to allow children to be admitted in certain circumstances.

Other information

appeals, special educational needs, home to school transport, school meals, and complaints

School admission appeals

If you have been refused a place at a school of your preference, you have the **right to appeal** against the decision of the admission authority, and for an Independent Appeal Panel to examine how places were allocated and whether you were refused in accordance with the admissions policy and procedure.

It is important to remember when appealing, that you are appealing for a place at your preferred school and not against the school your child has been allocated. You can appeal for a place at any school, even if it was not one you had originally applied for.

If you decide to submit an appeal you will be sent an appeal form relevant to the school and year group for which you are appealing, together with information about the appeals procedure. You should set out the reasons for your appeal and return the form by the date requested.

You may only appeal once for each application – which is **once each school year**. A new appeal would only be considered if there was a substantial change in circumstances which meant the admission authority has or could have made a different decision. For example, a significant change in circumstances which materially affects an appellant's case for a place at the school, or if new information comes to light which was not previously available and which materially affects an appellant's case for a place at the school.

The appeal process

All appeals will be considered by an **Independent Appeals Panel**, not by the admission authority that originally refused your preference. All school admission appeals are conducted in accordance with the relevant legislation and with the School Admission Appeals Code.

Panel members receive appropriate training through the Council's Legal and Democratic Services department. Staff from Legal and Democratic Services provide advice and guidance for panel members on the law relating to school admissions and appeals and on the conduct and organisation of appeal hearings; and act as clerks at appeal panel hearings, making a record of the hearing, recording the panel's decisions and their reasons and advising the appellant of the outcome.

Upon receipt of your appeal forms, a date will be set at which you and a representative of the admission authority will attend. If you choose not to attend the hearing, the case will be heard in your absence using the written information you have provided.

The admission authority will also submit papers detailing the reasons your child could not be allocated a place and why they do not believe that any additional children should be admitted. You will be provided with a full copy of all papers before the appeal hearing, as will a representative of the admission authority. These papers will contain the information on how places were allocated and why a place could not be allocated to your child.

The appeal hearing

The Independent Appeals Panel will hear the case of the admission authority first, followed by your case. There is the opportunity for both parties to ask questions before a decision is made.

The Panel will consider all of the information both you and the admission authority submit, either in writing or in person at the appeal hearing. Decisions made by the panel are **legally binding** on both you and the admission authority.

The clerk is your key contact throughout the process, is independent and plays no part in decision making. The clerk will write to inform you of the panel’s decision normally within 5 school days after the appeal.

There are two types of appeals for children at primary school – standard appeals and infant class size appeals.

Standard appeals

Standard appeals are heard in two parts of the same hearing. They are heard for most appeals from year 3 to year 6, and in some cases for appeals for Reception, year 1 and year 2. In deciding the outcome of a standard two-stage appeal there is:

First: a factual stage – The panel must decide whether ‘prejudice to the provision of efficient education and use of resources’ would arise were an extra child to be admitted to the school.

Second: a balancing stage – If the answer to the first stage is yes, then the panel must weigh the degree of prejudice and decide which case is stronger, the case of the admission authority or your case.

Infant class size appeals

Infant class size appeals are heard differently from standard appeals, as the panel must consider infant class size legislation when making their decision – this is part of the law on class sizes that says that no class with a majority of children in Reception, year 1 or year 2 may have more than 30 children per teacher. They are heard for most appeals for Reception, year 1 and year 2. In deciding the outcome of an infant class size appeal, the panel must primarily consider whether the admission authority was right to refuse admission on the grounds of infant class size legislation.

Special educational needs

What happens if my child has special educational needs?

Children with special educational needs will be admitted to schools in accordance with the government’s Code of Practice on School Admissions and the **Special Educational Needs and Disability Code of Practice**. Wherever possible, children with special educational needs attend their local mainstream school although in some cases it is recognised that specialist provision is more appropriate.

What if my child has an Education, Health and Care Plan?

All parents of pupils with Education Health and Care Plans can express a preference for the school they would like their children to attend.

You can contact the Special Education Needs and Disabilities Assessment and Review Team, at East Riding of Yorkshire Council, County Hall, Beverley, HU17 9BA, or telephone on 01482 394000, or seek advice from the Families Information Service Hub (Fish) on 01482 396469.

Funded Education up to school age

The government funds local authorities to ensure a funded early education place is available for eligible three and four year olds in settings that have been inspected by Ofsted. A funded early education place is available starting the term after a child’s third birthday (see table below) until they start school.

Child’s third birthday falls between	Child is eligible from
1 January and 31 March	Summer Term
1 April and 31 August	Autumn Term
1 September and 31 December	Spring Term

All eligible three and four year olds are entitled to 15 hours of funded early education per week for 38 weeks of the year. You can take the 15 hours at a maximum of two childcare settings/schools.

Funded early education can be provided at:

- Childminders (those who are specifically accredited to offer free early education places)
- Day nurseries
- Foundation stage units
- Independent schools
- Nursery class
- Nursery schools
- Pre-school playgroups

Alongside the existing offers for three and four year olds, the government is expanding childcare support from April 2024 so it's affordable and accessible for even more working parents, this is to include funding for children from 9 months old up to school age. Please visit www.childcarechoices.gov.uk for more information and how to apply.

Home to school and college transport

In certain circumstances, the East Riding of Yorkshire Council will meet the costs of part or all of your child's journey from home to school. The Council has a policy on home to school transport which sets out the circumstances in which a child would be eligible for transport. More information is available at www.eastriding.gov.uk.

When choosing which schools to apply for, it is important to consider how your child will get there. Some children are eligible for free travel, but this isn't the case for everyone. Most parents should expect to be responsible for making arrangements for their child to get to and from school. **In respect of making an application for your child to transfer to secondary school, the below advice will apply to on-time applicants who make an application for a school place before the deadline. Where an applicant applies late, eligibility may differ.**

Transport eligibility will be assessed in line with the eligibility criteria as set out in the home to school and college transport policy. Please see below the link to this document.

www.eastriding.gov.uk/learning/schools-colleges-and-academies/school-transport/school-college-transport-information

Is my child eligible for free school travel?

The Department for Education sets the national eligibility criteria for free travel to school and your local authority is responsible for deciding whether your child meets these criteria.

Your child is eligible if they are of [compulsory school age](#), go to their catchment/ nearest suitable school (please refer to point 9.7 on page 3 of the transport policy above for further information) and one of the following applies:

- you live in the East Riding of Yorkshire; and
- they are under 8 and the school is more than 2 miles away
- they wouldn't be able to walk there safely, even if accompanied by a parent or guardian
- they wouldn't be able walk there because of their special educational needs, disability or a mobility problem, even if accompanied by a parent or guardian.

If the local authority decides your child would be able to walk to school if they were accompanied, the general expectation is that you will accompany them, or make other suitable arrangements. A child will not normally be eligible for free travel solely because of their parent's work commitments or caring responsibilities.

What do I need to do if I think my child is eligible?

You should visit www.eastriding.gov.uk/learning/schools-colleges-and-academies/school-transport/ to apply.

If your child is eligible for free school travel, it is for the East Riding of Yorkshire Council to decide the means of and arrangements for transport, including the issue of and requirements to carry passes and tickets. Such transport may be by way of contracted services or local bus or rail services. Pupils are collected as near to their home as reasonably possible, but some pupils may have to walk a reasonable distance to and from home to meet the transport.

My child has a special educational need or disability, what does this mean for them?

Your child doesn't need to have an Education, Health and Care plan to be eligible but having one doesn't make your child automatically eligible, even if your child attends a special school.

If your child is eligible, East Riding of Yorkshire Council will make suitable travel arrangements for them, taking into account their needs. It may often be the case that they share a vehicle with other children. For more information with regards to transport eligibility based on special educational needs, disability or mobility problems, please refer to the home to school and college transport policy.

What if my child spends time at more than one address?

It's not normally possible to provide eligible children with travel to and from more than one address, for example if their parents don't live together. In accordance with DfE statutory guidance, in such circumstances where parents do not live together and the child spends part of the week with each parent, the local authority is not able to provide travel to and from two separate addresses.

Can I appeal the local authority's decision?

Yes. The Executive Director of Children, Families and Schools, or nominated officer may authorise support for the provision or costs of home to school or college transport where it can be shown that there are exceptional circumstances which justify making an exception. The Executive Director can award support if they are convinced that there are special and exceptional reasons which justify treating a student differently to everyone else. Any travel assistance awarded will normally be expected to be short-term. The Council does not usually consider matters such as parent's working pattern, the cost to the parent of public transport, or the fact the parent has children attending more than one school, on their own, to be exceptional circumstances in which the Council will arrange travel on a discretionary basis.

School meals

School meals are available to all children attending school. For information about the charge for a school meal you should contact the school. Free School meals are available to all pupils in Reception, year 1 and year 2. Children in other year groups may receive free school meals if their parents are in receipt of certain low income benefits such as Income Support or in certain circumstances, if the parents are in receipt of Child Tax Credits or Universal Credit.

Complaints

If you have a concern or complaint about your child's schooling, you should raise the issue first with the class teacher or head teacher. If this does not solve the problem, you should contact the chair of governors of the school who can be reached through the school or the Local Authority.
