School Vision

Our children will leave Welton proud, happy and confident.
They will know how to be kind and always try to do their best.

Our pupils will be academically successful and have a lifelong love of learning.

Our school family will nurture, challenge, and lead our pupils, igniting their unique spark of genius.

The Welton Family will demonstrate our values by remembering to:

Be Kind,

We will ensure that everyone feels **accepted**, **valued**, and **included**. By being **nurturing** and listening to understand, we will be able to offer **friendship** and **kindness**. By **respecting** ourselves and each other our community will be a **happy** one.

Be Responsible

We will take responsibility for ourselves, our actions and our community to ensure it is a **happy**, **safe** and **nurturing** place to be. When we make mistakes, we will take **responsibility** for putting things right and be prepared to forgive. We will always try to do our best so we can be **proud** of ourselves.

Be a Learner

We will be ready and an active learner. We join in by asking questions, making suggestions, offering opinions, sharing experiences and taking part in discussions and group activities. We will show **resilience** by taking on **challenges** and having a **positive** attitude. Our **confidence** will help us be **successful** and **ignite** our **unique** spark of genius.

Celebrating Our Family's Unique Skills and Talents

This term we started the 18-month journey with Nurture UK to achieve the National Nurturing Schools Award. This will celebrate the leading work we already do in this area and further strengthen our core offer.

We are proud to collaborate with School of Kindness from the charity 52 Lives to create a team of pupil Kindness Ambassadors.

Their mission is to help us to spread kindness in the classroom, the whole school and the wider community.

We have had our first meeting to generate ideas, then our Y5 and 6 ambassadors took part in their first meeting with schools from across the UK to share their ideas and listen to the ideas of others.

We continue to support our chosen charity this year as part of our commitment to ensure that everyone feels **accepted, valued, and included through** kindness and developing a wellbeing toolkit.

Thank you for the support for our recent "Wear Yellow Day" when we raised £215.

Open morning for Foundation September 2025

On Saturday 12th October, Welton school was open to families whose children are starting school in September 2025. We had an exceptional morning, staff from across the school were present to meet and chat to parents and children. We are so proud of our school and everything we do. Our Year 6 pupils were outstanding, providing guided tours and sharing their pride for the school.

If you know of anyone who has missed this opportunity please ask them to contact the school so we can arrange a visit to see our school in action.

Playtimes at Welton

We have recently had some questions about playtimes at Welton. Playtimes at Welton are aimed at providing as many opportunities as we can for all the different interests of the children. Some children like to be very active, running and competing, some more creative, building dens, dressing up and engaging in role play. There are also children who want to chat and relax both inside and outside. At the heart of all this is encouraging children to make choices and decisions to promote happy break-times.

It is a happy talent to know how to play. "
