Book the club via Arbor

Book and pay in advance. There are a maximum number of places each day. Parents will need credit on their account to secure a booking. People using childcare vouchers will be able to make bookings.

Charging Policy

Welton Out of School Club is an extended school provision and cannot be subsidised by the school budget. It, therefore, has to be self-sustaining. Fees have to cover; salaries, equipment, refreshments, insurance and other related charges.

The Club will implement the following policy.

- All fees are to be paid **in advance**.
- Fees cannot be credited for non-attendance unless your child is absent from school due to **ill health or being asked to represent the school**.
- If a child **permanently** withdraws from the club in the middle of a week, the remainder of that week will be charged but subsequent fees will be refunded.
- If a parent/carer is late collecting their child (after 6:00pm) a charge of £5.00 will be made to cover the cost of salaries.
- If a parent is suffering from financial hardship they should make an appointment to see the School Business Manager to discuss the matter.
- The Club is able to provide information about relevant authorities for parents claiming Working Family Tax Credit.

OOSC Leader: Mrs S Brown

Our children will leave Welton proud, happy and confident.

They will know how to be kind and always try to do their best.

Our pupils will be academically successful and have a lifelong love of learning. Our school family will nurture, challenge, and lead our pupils, igniting their unique spark of genius.

Welton Out of School Club

Welton Out of School Club is run as an extension of the school and is therefore under the supervision of the Governing Body.

Although many children require regular, weekly places, we are also often able to offer provision on an occasional basis providing there is a vacancy.

OUR AIM

It is our aim to offer a wide variety of activities to encourage child development and play opportunities. We also understand that when the children attend the Club it is their leisure time and promote freedom of choice. This is gained by involving the children as much as possible in the planning of activities and when choosing new equipment.

What Sort Of Activities Can The Children Do?

We offer an extensive range of activities both indoor and outdoor. The children enjoy spending some time outside, weather permitting, either playing on the outdoor gym or taking part in team games such as basketball, tig, rounders, skipping etc

Indoor activities take place in the large school hall and other rooms in the school. Partitioned areas give a warm and welcoming feel. There is always a cosy relaxation area for those children who just want to chill out at the end of the day. For the more active children there is a wide range of equipment available. Some of the most popular being the dressing up clothes, K'Nex, Lego, board games, drawing and craft and many, many more. . . .
