

# Welton Primary School Out of School Club

We Are Enhancing Our After School Offer for a Trial Period

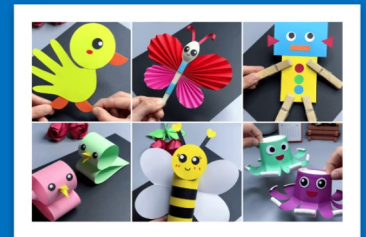

Between 3.45pm and approximately 5.15pm we will be offering a different theme each evening.

We will ensure that over time all children are able to participate in these activities.

**Monday: Mrs Munkley will be leading STEM activities.**

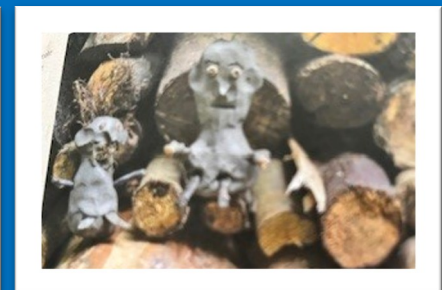

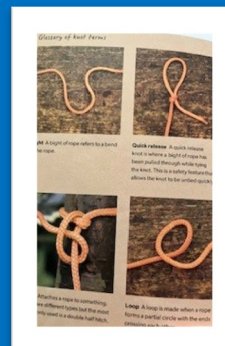

**Tuesday: Mrs Ware will be leading an Art and Craft themed activity each week.**

**Wednesday: Scooter, Gym or Den Building Night.**

**Thursday: Mrs Drewery will be leading Forest Schools.**

**Friday: Mrs Gould will be leading a Cooking themed activity each week.**
