

Debutots®

Imagination takes you everywhere...

After School Club Tuesdays 3.30 - 4.30

Children love the creative outlet that is a Debutots After School or Lunch Club. Our clubs are tailored to specific age groups and include an original interactive Debutots story, original drama games and some added fun and excitement for letting off steam at the end of a hard school day.

"Each session promotes confidence, self awareness and enjoyment... Excellent resource to enhance school objectives!"

For children in
EYFS and KS1

"Our pupils absolutely love their Debutots session after school. Activities are engaging at the pupils' level and they are fun!"
