School Vision

Our children will leave Welton proud, happy and confident.

They will know how to be kind and always try to do their best.

Our pupils will be academically successful and have a lifelong love of learning.

Our school family will nurture, challenge, and lead our pupils, igniting their unique spark of genius.

Autumn Term 2025

Welcome back to the new school term! We hope that everyone has had a lovely summer.

Goodbyes and Introductions

Last term we said goodbye to Mrs Millar, Mrs Lynch and Mr Barnes. Although it is hard when someone leaves, they will always be part of our family. We welcome Mr Anderson to the school team, although he has worked with the school for several years, we are very pleased to say, he is now a full-time member of the team.

Pre-Teach

Our unique approach to supporting children is now underway again. If your child has been invited to pre-teach please do bring them. The impact of this approach is showing that the children make very strong progress and close gaps successfully when they attend regularly.

Pupil Mobile Phones

Welton Primary School has been mobile phone free since 2020. Although we do share this through Meet the Teacher and then by sharing the presentations, we have received feedback that this communication could be strengthened. We are reviewing this and will share the documentation soon.

The Local Authority have also shared with us a useful site for schools and parents to aid conversations with children around mobile phones. This maybe something you wish to look at:

Photographer

Don't forget on Monday 22 September, the children are having individual and sibling photographs. We have a new company and are looking forward to the refreshed style.

Young Voices

In January we are taking a choir to the Young Voices Concert in Sheffield. We do have a few more spaces in our choir, which is aimed at Y4, Y5 and Y6. Please see Arbor to sign your child up.

Foundation 2026

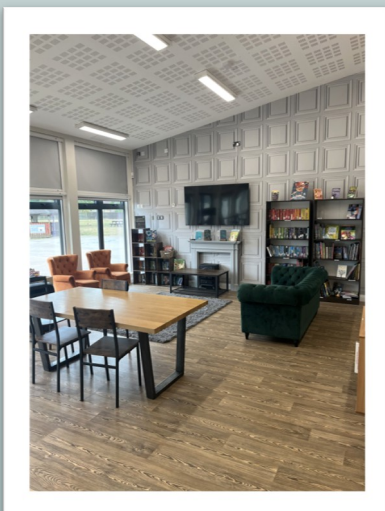

We are holding an Open Morning on Saturday 18th October for the parents and children who are due to start school in September 2026. We always have such a lovely morning and Mrs Elphick (nee Miss Brash) plans so many activities for everyone to enjoy. Please share this date with your friends and contact the school office to register your interest.

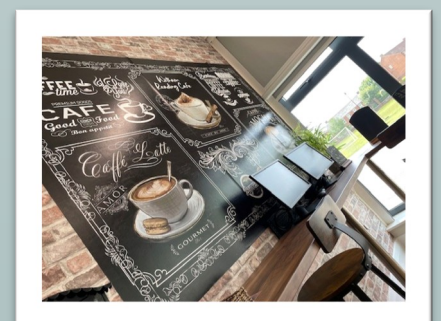

Flu Vaccines-Whole school

Reminder Thursday 25th September-You will have had all the details about this already.

School Library

At Welton, we do not currently have a library but we now have a space that we could use. This is going to be a significant project and we are looking at funding streams and ideas to raise money for this. Our vision is a peaceful space for enjoying reading and studying for the whole school.

We hope the following dates will be helpful.
