The school's response will be:

Proportionate	Considered
Supportive	Decided on a case-by-case basis

- Refer to children's social care
- Report to the police

Please refer to our child protection and safeguarding policy for more information.

Consequences may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

Taking part in any school-organised or school-related activity (e.g. school trips)

Travelling to or from school

Wearing school uniform

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will discipline the pupil in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer, where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and pupils accused of misconduct.

Please refer to our child protection and safeguarding policy for more information on responding to allegations of abuse against staff or other pupils.

9.4 Physical restraint

In some circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded on CPOMS and reported to parents

9.5 Prohibited Items

Prohibited Items Searching, Screening and Confiscation (DFE July 2022) guidance identifies the key points and advice relating to searching and confiscation as follows: School staff can search a student for any item if the student agrees. Headteachers and staff authorised by them have a statutory power to search students or their possessions, without consent, where they have reasonable grounds for suspecting that the student may have a prohibited item.

9.5 Confiscation

Any prohibited items (see below) found in pupils' possessions will be confiscated. These items will not be returned to pupils but kept securely until parents can collect.

We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents, if appropriate.

Searching and screening pupils is conducted in line with the DfE's latest guidance on searching, screening and confiscation.

Prohibited Items

There are some things that are not allowed at school, these need to be always left at home.

Mobile phones

Smart watches and any watch that has internet and messaging facilities.

Sweets and confectionery
This includes in packed lunches.

Hydration drinks

Chap sticks, cough sweets etc

Jewellery

Small flat studs can be worn in lessons but need removing for breaks and PE. We strongly recommend that earrings are not worn for school.

Toys and other things from home.

Any item that could cause physical or emotional harm or injury to another, including indecent images etc.

9.6 Pupil support

Responding to the behaviour of pupils with Special Educational Needs and/or Disability (SEND)
Schools should consistently and fairly promote high standards of behaviour for all pupils and provide additional support where needed to ensure pupils can achieve and learn as well as possible.

A school should not assume that because a pupil has SEND, it must have affected their behaviour on a particular occasion – this is a question of judgement for the school on the facts of the situation.

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The school's special educational needs co-ordinator (SENCO) will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met. Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs. When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

Support for Pupils

This is achieved by helping pupils understand behavioural expectations and by providing support for pupils who struggle to meet those expectations.

e.g.

- ***Shared Scripts***
- ***Frequent engagement with parents***
- ***Short term Report Cards or Behaviour Contracts -phase leader***
- ***ELSA program / mentoring***
- ***Behaviour Support Referral***
- ***Early Help Agencies***

The school should also consider whether any reasonable adjustments need to be made to the sanction in response to any disability the pupil may have.

For example:

- Support for completing restorative activities
- Movements break outside after internal seclusions at break
- Low stimulus, quiet personal space for internal seclusion
- Higher level of adult support during internal seclusion
- Regular Movements breaks inside/outside during internal seclusions – lessons
- Requesting parents attend school to support a child in regulating
- Increased level of repeated internal seclusion prior to suspension for repeated serious misbehaviour

9.7 Safeguarding

The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection. We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm. Where this may be the case, we will follow our child protection and safeguarding policy.

10. Pupil transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). They will be given a social story and complete a pupil on page document for their new teacher. In addition, staff members hold transition meetings.

Year 6 children with SEND receive additional transition meetings and days before transitioning to KS3.

11. Training

Our staff are provided with training in managing behaviour, de-escalation and proper use of restraint, as part of their induction process. This is done by following the principles of Team Teach. Behaviour management will also form part of continuing professional development.

12. Monitoring arrangements

This behaviour policy will be reviewed by the headteacher and Welton's Governing Body annually. At each review, the policy will be approved by Governors.
