

## **British Values Workshop**

### **Teaching Assistants**

At Welton School, we aim to encourage children to understand the fundamental British Values of democracy, the rule of the law, individual liberty plus mutual respect and tolerance of all faiths, races and cultures. The adults and children of Welton school actively embrace, take an interest in, and celebrate all faiths and cultures. We help our children to understand that while people may hold different views about what is "right" and "wrong", all people living in England are subject to its laws.

We encourage children to develop their understanding and interest in spiritual, moral, social and cultural aspects of learning and our whole school ethos of nurture, tolerance and meta-cognition enables children to think about the wider world and a wider range of people and their beliefs.

### **Staff Voice:**

How do you feel the school acts upon the above ethos?

### **Help us define:**

#### **Individual Liberty:**

#### **Democracy:**

How can you ensure the pupils in your care enjoy individual liberty and are part of a democracy?

**Follow up:**

- Using Build to Express Lego ask your child to think about a time in school when they have had a choice and build it:
- Using Build to Express Lego ask your child to think about a time in school when they did not have a choice and build it:
- Using Build to Express Lego ask your child to think about a time in school when they voted for something. Please photograph the lego build without the pupil and record the discussions you have that help them understand a little more about liberty, choices, rules, democracy.

Please complete within a fortnight.
