

6 June 2016

Dear School Council,

Please find listed below all the suggestions that have been placed in the pupil voice boxes by your classmates. Consider also where we already have things in place and whether they are working well.

Please can you read through these ideas and discuss which ideas are possible and would benefit the whole school:

Suggestions from your classmates:

- In the hall at lunch time have a table in the middle for the child of the week.
- Help people when they do not know what to do.
- Help people if they are hurt.
- Allow prefects to go outside first.
- Pick a new locker every half term.
- School water park.
- School pets.
- Welton's Got Talent.
- Girls changing rooms.

As responsible School Council members, I will look forward to your assembly on Monday 20th June 2016, where you can feedback your thoughts and I hope you can explain to the children how they can express their ideas in an informed way.

I would also like you to report your findings for the school website and to the School Leadership Team.

Thank you for your hard work

Yours Sincerely

Mrs Leighton

Deputy Head
