

WELTON SPORT - WINNING ATTITUDES GET RESULTS!

We have had another busy half term of sport! Have a look at the exciting events that have taken place.

Girl's Football

For the first time Welton entered a girl's team in the South Hunsley Tournament. The interest for the event came after some of the girls attended the FA girls football tournament at the end of the summer term. They worked very hard and enjoyed the experience!

Cross Country

In October, we entered over thirty pupils from year three upwards in the annual cross-country event. The children competed as individuals as well as part of a team.

Martha Gibson-Graham successfully went through to the next level at Hull University. Since this experience, she has now joined a girls running club and trains after school every Tuesday.

Rock Challenge

Rehearsals for Rock Challenge have now commenced and we are looking forward to the finished performance!

Hockey

The pupils took part in the Year 5 and 6 hockey tournament at South Hunsley School and won! Joshua Rocket has now joined a hockey club after his successful experience. Well done to all of the team for fantastic teamwork!

Football

The Year 5/6 pupils have taken part in two football tournaments. The last tournament was their most successful with the team winning or drawing, in all of the matches played.

Benchball

Year two pupils took part in a benchball tournament organised by the Tigers Trust. This was very successful with the team coming second. They showed excellent skills on the pitch and a good team spirit.

Sports Hall athletics

This event was popular with lots of pupils wanting to participate. We came a respectable second in this tournament and we are hoping that the children will be invited through to the next round in February.

Dodgeball

Finally, Year 3 had their first taste of competitive sport at South Hunsley with a dodgeball competition. I was pleased with their never-ending enthusiasm throughout the evening, whether the team won or lost.

Competitions coming up next term: Year 5/6 football, the next level of the sports Hall athletics, Year five festival of sport, Year four dance competition and Year two bench ball.
