

WELTON SPORT - WINNING ATTITUDES GET RESULTS!

We have had another busy half term of sport! Have a look at the exciting events that have taken place.

Cross Country

Eleven children from Years 5 and 6 plus thirteen children from Years 3 and 4 took part in the annual cross country event at South Hunsley.

The fastest three individuals would go through to the next heat at Cottingham High school plus there was a chance to be part of a team of four children competing as a group depending on their individual placement at the end of the race.

Martha Gibson-Graham made it through to the Cottingham event to represent the school. Well done to Martha and all of the other cross country runners!

Rock Challenge

We are excited to announce that we have been allocated a place in Rock Challenge this year. This is an international event which encourages children to perform dance, drama and music.

For those children who are not dancers, they will also be able to be involved in creating scenery and costumes. Miss Richardson will be leading this activity and will soon be inviting children from Years 4, 5 and 6 to join her and Mrs Andrew for an after school club if they are interested. If you would like more details, please look at this website. <http://www.rockchallenge.co.uk>.

Dance

A Dance specialist visited the school on October 18th to teach classes throughout the school. This showed the children the standard of dance they should be aiming for in their lessons at school.

The Teaching Staff then undertook some dance training in their staff training after school session which they fully enjoyed!

Boy's Football

Year 5 and 6 boy's football tournaments have been timetabled throughout the year. The South Hunsley Partnership have changed the league structure of the tournaments so that they are taking place once every half term rather than a league structure as in previous years. This will give the children the chance to play in as many or as few games as they would like. The girls and boys for the first two tournaments have already been allocated as there had been 19 children keen to play after the first invitation.

Another email will be sent later in the year to collect interest for the final four tournaments that will take place in 2018.

The first tournament saw the team win a game, lose a game and draw a game, only conceding one goal. Well done boys!

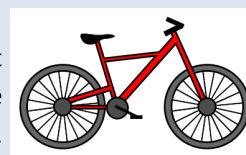

Girl's Football

A team of girls have competed in a football tournament at South Hunsley High school. They got through to the semi-final stage, only missing out on a place in the final by goal difference. We are very proud of their achievement!

Bikeability

Over 40 Year 5 children took part in this year's bikeability. Bikeability is based on the government approved National Standards for Cycle Training, which teaches trainees the necessary skills to ride confidently on today's roads. Level 1 and 2 qualifications are carried out at Primary School level. Well done to all of the children who took part! The instructor's were very impressed with the behaviour and attitudes of all of the children who took part.

Coming Up after half term:-

Sportshall Athletics for Years 5 and 6 (7 November) and Benchball for Year 2 (15 November)
