

## WELTON SPORT - WINNING ATTITUDES GET RESULTS!

We have had another busy term of sports! Have a look at the exciting events that have taken place.

### Gifted and Talented children

We are very lucky to be able to see some of our children become competent and confident at certain sports. Some of our children have been spotted by coaches of tennis and cricket to become part of teams for the local region. Mrs Millar has also been able to nominate two girls to take part in training and coaching for netball for the Hull district.

### Netball

Great dedication from all the children in the netball club this season. Thank you to all the Year 5 and Year 6 children who came throughout February to July at 8am each Wednesday to practise and play. The 'B' team were awarded effort medals by the High Five netball association in recognition of their efforts. I hope to see you return for another season next February when we will start training again.

The 'A' team won all but one of their matches and won their league. This allowed them to play in the next level of competition at Beverley Longcroft at the end of June.

This tournament allowed the netball leaders to give the team a seeding of 4 as they went on to compete against successful teams from the East Riding, Hull and Lincolnshire.

The team were fantastic on the pitch and off and went beyond their initial seeding to win the same number of games as the eventual winning team. Only a goal count up separated them. They were awarded second place! Well done to you all!

### Swimming

Swimming lessons took place in the summer term. The aim of the lessons are for children leaving the school in Year 6 to be able to swim 25m and use a range of strokes to enable them to keep themselves safe when swimming with friends and family.

### Football

We were fortunate to have the female football coach for Hull City provide a taster session to the Year 5 girls. The girls became enthusiastic about playing this sport and so we will be offering them a chance to make a team to compete against other girl only teams within our primary school cluster next year.

### Cricket

We entered two teams for the annual cricket competitions at Beverley Cricket Club in the Year 5 to 6 category. The children performed well this year, but didn't make into the next round. We also had a Year 3 and 4 team take part in the SMASH tournament. The children thoroughly enjoyed the days cricket and I am sure some of them will be wanting to join the Welton Cricket Club junior programme.

### Tiger's Trust

Tiger's Trust spent two days in school over the last half term delivering some inclusive sports to the children. They took part in existing and new sports experiencing what it would like to take part in the activities with either a sensory or physical impairment.

### Tennis

Well done to our Year 5 tennis team who competed against other local schools in the area.

### Autumn Term

Keep a look out for the clubs and competitions coming up next year! The First Step Sports Clubs have already been advertised. The Autumn Term generally sees some cross country competitions for Years 3, 4, 5 and 6, amongst other sporting competitions.
